Health/Building update

Due to the sad passing of the Shire's Health/Building Officer, Mr Neil Flood, Allan Ramsay has returned to the Shire in the interim to assist with Health/Building matters.

Allan will be at the Shire every Thursday and can be contacted on 0419 952 043.

Neil will be sadly missed as a valuable employee of the Shire.

Stock Signs

There have been recent reports of property owners not removing "Stock on Road" signs from road reserves once stock has been removed.

This creates a confusing situation for motorists and can cause unnecessary delays to traffic. Your co-operation in removing signs would be appreciated.

A number of property owners have purchased trail bikes for use on larger blocks within the Cuballing and Popanyinning town sites.

Property owners with trail bikes need to be mindful of neighbours and contact them to discuss and agree on convenient times for when trail bikes can be ridden on larger blocks.

Please note ALL trail bikes must have a muffler fitted. Excessive noise will result in complaints to the police. Please be courteous of your neighbours!!
