

Candidate Profile – Deborah Old

After being a stay-at-home mum with three children, when they were all off to school, I embarked on a career as a librarian for 10 years followed by 10 years with the Department of Defence. I retired to Cuballing in 2019 with my husband Kel, although we have had our house here since 2014. We chose to live here for the lifestyle, having both been born and brought up in small country towns, Kel's were Manjimup and Corrigin, whilst mine was a village near Marlborough in Wiltshire in the UK.

Country life as opposed to city living is very important to me and I would like to be involved in being part of the team of people who are responsible for shaping and managing that lifestyle.

In our fast moving, modern world, we need to be able to sort through the masses of information available and evaluate what our local government should do that will produce the best possible results for our community.
