IMPORTANT INFORMATION RELATING TO YOUR RESPONSIBILITY AS A LAND OWNER IN THE SHIRE OF CUBALLING

As a landowner or occupier you are required under the provisions of the *Bush Fires Act 1954* to carry out fire prevention work on your property. Please read this notice carefully—if there are any points that are not fully understood, please contact the Shire of Cuballing Phone (08) 9883 6031.

Pursuant to the powers contained in Section 33 of the *Bush Fires Act 1954* you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this Notice, to the satisfaction of Council or its duly authorised officers.

This work must be carried out by **31 October 2018** OR WITHIN 14 DAYS OF BECOMING THE OWNER OR OCCUPIER, SHOULD THIS BE AFTER THAT DATE and kept maintained throughout the summer months until **15 May 2019**.

PERSONS WHO FAIL TO COMPLY WITH THE REQUIREMENTS OF THIS NOTICE MAY BE ISSUED WITH AN INFRINGEMENT NOTICE OR PROSECUTED. WHERE THE OWNER FAILS TO COMPLY WITH THE REQUISITIONS OF THE NOTICE, COUNCIL OR ITS DULY AUTHORISED OFFICERS WILL CARRY OUT THE REQUIRED WORK AT THE COST OF THE OWNER OR OCCUPIER.

If it is considered for any reason to be impractical to clear firebreaks or remove flammable materials as required by this notice, or if natural features render firebreaks unnecessary, you may apply to the Council in writing not later than the 17 October for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by Council, you shall comply with the requirements of this notice.

A **FIREBREAK** is a strip of land that has been cleared of all trees, bushes and grasses and any other object or thing or flammable material leaving clear earth. This includes the trimming back of all overhanging trees, bushes, shrubs and any other object or thing over the fire break area to the satisfaction of the Fire Control Officer.

In the interest of protection from soil erosion, firebreaks may be established on the land contours but only with prior approval of the Council or its duly authorised officer.

An area 4 metres wide cleared of all flammable material shall be established immediately around the perimeter of all homesteads, buildings, haystacks and fuel storage areas.

A mobile fire fighting unit should be in attendance at all times where possible.

OPERATION OF PLANT AND MACHINERY:

During the restricted and prohibited burning times, all harvesters and trucks carting grain shall not be operated on rural land unless fitted with a fire extinguisher.
