Cuballing Men's Shed Swap Meet was held on Sunday 28th October. The weather was beautiful and 22 stall holders attended.

There was a wide variety of stalls at this years markets, fresh bread, plants, nic-nacs, jams, preserves, rustic sculptures, wind chimes, and handmade shopping bags .

The Cuby Men's Shed held a white board auction at the Swap Meet, auctioning off donated items as a fund raiser. The bargains included a pool table, pump, 2x tin dogs and an organ.

Thanks to the 1/4 Midgets of Narrogin who cooked a delicious breakfast and lunch.

Most importantly the proceeds of the bay hire went to the Cuballing Men's Shed. Over all the Swap Meet, the Cuby Men's shed raised approximately \$500.00 of much needed funds that will go towards their new disabled toilet at the Mens Shed.

CUBALLING GOLF CLUB NOTES

WELCOME BACK SPORTS FANS

THE WRAP UP

Its been a while since the news has got around and finally its here the closing of the season.

Club Championships were held last month after the AFL Grand Final and, oh boy, a big weekend was had by all. It started Saturday with 9 holes of Golf then sit down and scream for your team. Members bought a selection of fine dinning with them while some just smashed a snagger on the BBQ.

The air was full noise and at one stage of the AFL Grand Final people were ready to throw a stubbie at the TV.

That of course changed and as we know the Eagles bought the bacon home turning the atmosphere to electric and joyful. The night went on and on and maybe too long considering Championships were the next day.

Sunday morning and a few heads were still a bit bashed from the excitement of the previous day, but as warriors of the game, we swung into action and played to our worst or best. Just on the quiet, I myself didn't go to good and was knocked out in the morning. Next year for me.

In the Championships every player gets a go, from A grade to D grade with the top 4 in each division, which is great to have all members on course that day.

WINNERS:

A Grade Scott Ballantyne defeated Chis Bolton. Going to the 19th Hole.

B Grade: Lindsay George defeated Mike Clark. Going to the 19th hole. Mike lost

with a Brazilian.

C Grade: John Robbo defeated Graeme Dent What best friends on the course they are.

D Grade: Dan Howes defeated Frank Brian Hare in the battle of the titans.

Great day by all and Golf was at its best. Oh, just a thanks to Cooper George for cart hire that day.

Closing day was our next big event and the club had the pleasure of the Mandurah and Furrnisdale crew come down and enjoying our hospitality. They started rolling up on Friday night with campers and swags, then the rest turned up armed with carts and attitude on Saturday for the 13-hole Ambrose. These guys and girls had the time of their lives with Jenny McLeish driving around with beverages to keep them hydrated. In the evening the BBQ tea was over the top with that usual country hospitality. They are now talking of making The Cuby Golf Club's Closing Day an Annual event. They appreciated being able to relax and enjoy the lovely surrounds of the area.

It has been a great year of Golf with new members and old ones coming back. When smashing the white ball around is in the blood its hard to get it out of your system.

The course is still green from all the rain we have had so go out there and enjoy a round or two.

Unfortunately this is the last entry for the year but don't worry,

I'LL BE BACK. Happy Golfing.

Morty

MEN'S SHED MATTERS

There you go, never say never as, thanks to three generous donators (Gordon McDougall and two anonymous ones) we were able to buy a brand new disabled access toilet at an online auction. We won the bidding but did not meet the reserve but thanks to knights in shining armour, we are now the proud owners of the said toilet.

Another stroke of good fortune saw the Shire councillors (thank you M'lady and Gentlemen) support the proposal that the Shire bear the cost of connecting this legendary toilet to a sensible maximum of \$10,000.

The building application has been approved and I was declared the owner builder; Gordon McDougall will be the technical man getting it all installed.

A very big thank you to the Hotham cruisers Motorcycle Club Inc. for their very generous donation of \$500, to be used as a contribution to the disabled access toilet. This has preserved some of our funds so that we can continue to upgrade our equipment.

The Dryandra Equestrian Centre was very happy with the work our Shed has done to their jumping area and that put another \$500 in the kitty.

The Women's Shed is up and running on Thursday afternoons from 1-4ish PM and the ladies are brimming with enthusiasm with activities from welding to furniture making and a lot in between.

But wait, there is more: The Shire has agreed to set up a youth activity to be run by the Men's Shed as the Youth's Shed; if you support this (parents and youths) shoot me an email- I'll keep you posted.

Our annual fundraiser, the Swap Meet on Sunday the 28th of October is done and dusted by the time you read this and I hope that our dry weather dance has worked.

From the Women's Shed

Marie Louise:

I am a new student at the Women's Shed in Cuby. I believe we are very lucky to have a teacher like Carry. In the hours I am attending, I am introduced to new tools and techniques and develop new ideas and skills

Lisa:

I am at last putting a silky oak table together with Carry's help. He spreads himself thin between us but so far so good. Come on girls, woodwork is fun so come and join us.
