

The Cuby News

Publication by the Shire of Cuballing
PO Box 13 Cuballing WA 6311

Monthly publication for Cuballing, Yornaning and Popanyinning

January 2020

On Australia Day, the Shire of Cuballing hosted a community BBQ Breakfast, with approximately 55 people in attendance. We would like to thank the Hawksley Family at Upper Great Southern eggs for their kind donation of fresh eggs. At the breakfast, Councillor Rob Harris presented the 2020 Shire of Cuballing Citizen of the Year Award to Anne Lyneham for her involvement in the design/construction of the Popanyinning walk trails and her long time involvement with the Popanyinning Progress Association. Anne arrived in Popanyinning in 1947 and her family continue farming today. Anne recently retired from the farm life and is now settled in Narrogin.

DARREN WEST MP—VISITS YORNANING DAM

On Wednesday 29th January 2020, the Honourable Darren West MLC presented the Shire of Cuballing with the Lotterywest Grant of \$57,244 for part funding of the Yornaning Dam Upgrade as a contribution to the children's playground, picnic tables and shade shelter.

L to R: CEO Gary Sherry, Darren West MLC, Cr Mark Conley, Cr Dawson Bradford and Community Development Officer, Michelle Atwell in the front of the new playground equipment at Yornaning Dam.

TRANSPORT LICENSING SERVICES

The Shire of Cuballing is an agent for Department of Transport licensing services including vehicle licensing. All Department of Transport queries and transactions are to be made in person at the Shire of Cuballing administration building. No personal details will be given over the phone.

The Shire completes transactions between the hours of 8:30 am and 4:00 pm, to allow staff to complete the end of day processing requirements.

Firearms licences can be processed at Australia Post or the Narrogin Police Station. The Shire of Cuballing is no longer authorised to collect firearm licence payments on behalf of the Western Australian Police Service.

For further information concerning the Department of Transport please contact their public information line on 13 11 56 or <https://www.transport.wa.gov.au/>.

SHIRE OF CUBALLING NOTICES

COUNCIL MEETING SCHEDULE 2019

Please be advised that the Ordinary Council Meetings of the Shire of Cuballing in 2020 will be held at:

January—No Meeting
2pm, Wednesday 19 February 2020
2pm, Wednesday 18 March 2020
2pm, Wednesday 15 April 2020
2pm, Wednesday 20 May 2020
2pm, Wednesday 17 June 2020
2pm, Wednesday 15 July 2020
2pm, Wednesday 19 August 2020
2pm, Wednesday 16 September 2020
2pm, Wednesday 21 October 2020
2pm, Wednesday 18 November 2020
2pm, Wednesday 16 December 2020

All meetings, with the exception of the 15th April 2020, are held in the Council Chambers in the Shire Administration Centre, Campbell Street, Cuballing. The meeting of Wednesday 15th April 2020 will be held at the Popanyinning Hall.

All Council Meetings are open to the public and commence with a 15 minute public question time.

PART TIME EMPLOYMENT OPPORTUNITY— CLEANER

Council is seeking a self motivated person to take on the role of cleaning the public buildings owned by the Shire of Cuballing.

The position requires cleaning of public buildings located in Cuballing and Popanyinning for an approximate total of 10-12 hours per week. Times and days negotiable.

The position is a casual position offered at level 1 of Local Government Industry Award 2010 of \$26.05 per hour. Other benefits include service bonus and up to 15.5% superannuation.

Further information is available on www.cuballing.wa.gov.au or by contacting Nicole at enquiries@cuballing.wa.gov.au or phone 08 9883 6031. For a confidential discussion about the position, please call Works Manager Bruce Brennan on 0427 836 063. All enquiries and applications will be treated with utmost confidentiality.

Applications close with the undersigned by 4pm Friday 21st February 2020.

Landcare matters

Hotham-Williams sub-catchment update

PHCC Working Together
Peel-Harvey Catchment Council

Edition 39
February 2020

NRM is the management of natural resources such as land, water, soils, plants and animals. It brings together land use planning, water management, biodiversity conservation and sustainability of industries such as agriculture, mining, tourism, fisheries and forestry.

Numbat Release in Dryandra Woodland

Nine numbats were released into Dryandra Woodland on the ninth of December and PHCC, Project Numbat and local farmers were fortunate to be invited to be involved in the release of 4 of these.

These nine numbats will be a great for genetic diversity and help to boost the population of numbats in Dryandra Woodland.

The numbats came from the Perth Zoo breeding facility which PHCC supports through the Numbat Neighbourhood project which is funded by the Australian Government's National Landcare Program.

1080 Accreditation

We are seeking expressions of interest from landholders who would like to participate in a free 1080 baiting accreditation workshop in February 2020. Please contact Christine Townsend on 6369 8801 or 0455 166 780 or email christine.townsend@peel-harvey.org.au

Wandering Productivity Group

There will be a Wandering Productivity Group meeting in early March to discuss the group's future.

If you would like input into the future of the Wandering Productivity Group please contact Max Watts on 0428 841 069 or maxwatts@skymesh.com.au by 27 February.

Champion Farmer

Are you the 2020 Peel-Harvey Champion Farmer? Would you like to attend the 2020 Talkin' Soil Health Conference in York on the 11th-13th March?

We are calling for nominations for Peel-Harvey Champion Farmer to represent our region at the 2020 Talkin' Soil Health conference. A Soil Health Champion is a farmer who is an inspiration to those around them. They embody the principals of sustainable agriculture and natural resource management.

This year's conference has the theme 'Building Natural Capital' and will include

presentations from WA farmers Rob Grylls, Brad Jones, Stuart McAlpine and Nick Kelly, as they share their stories on soil health. Well known industry professionals will talk about the latest research and practices that will lead us on the next wave of agricultural innovation.

To nominate yourself or others to be Peel-Harvey's 2020 Champion Farmer, and be in the running for a conference attendance package, see: <https://peel-harvey.org.au/wp-content/uploads/2020/01/Soil-Health-Champion-application-form.pdf>

H-W Snippets

1. Mel and Christine recently met the new Project Numbat president, Adam Cross, at the Farmers for Fauna Project update, with Peter Lacey from Parks and Wildlife Services also in attendance. We look forward to continuing to deliver the Farmers for Fauna Project with Parks and Wildlife Services and Project Numbat into the future.
2. The RHDV1-K5 rabbit virus was recently released into the Shires of Boddington, Williams, Cuballing and Wandering. We will keep you informed as to when the next release will occur. Please send through expressions of interest.
3. The Hotham Williams River Action Plan report is currently being finalised following the fieldwork component. We look forward to sharing the recommendations from this report.

Car safety features explained: lane support systems

Vehicle technology is continuously advancing with new vehicles having more safety features that assist and protect drivers, vehicle occupants and other road users. For some understanding and accepting this technology comes easily, while for others the 'bells and whistles' can be confusing and at times distracting, which may lead to a reluctance to embrace these features designed to reduce death and serious injury. Gaining a better understanding of the different vehicle safety features can improve acceptance and provide reassurance for drivers.

Today's safety feature, lane support systems, alerts the driver through audible, visual or tactile means when the vehicle is leaving a lane without indicating. Lane support systems do this through recognition of lane markings. When the vehicle begins to travel outside those markings, without indicating, the system kicks in and provides a warning that can be a noise, a light and/or a vibration. Some systems go a step further and take action if the driver does not by steering the vehicle back into the lane.

Lane support systems are just one of the collision warning and avoidance features that you can consider when purchasing your next vehicle. To check out the others visit <https://www.ancap.com.au/understanding-safety-features>

Do You Know What To Do In A Medical Emergency?

The Triple Zero (000) service is the quickest way to get the right emergency service to help you. You can contact Police, Fire or Ambulance in life threatening or emergency situations.

When you call triple zero (000) you will be asked; "Do you require Police, Fire or Ambulance?"

When you are transferred to the correct service you may be asked the following questions:

What is the address of the emergency? Street, cross reference or landmark will be required.

What is the telephone number you are calling from? This is in case your call is terminated or further information is required.

Tell me exactly what has happened? Provide a brief description of the problem.

How old is s/he? If unknown then approximate age.

Is s/he awake (conscious)? Yes or no answer required.

Is s/he breathing? Yes or no answer required.

The Communications Officer will then ask a series of further questions more specific to the problem identified. Answering these questions will ensure the most appropriate ambulance response is provided.

The Communications Officer will give you advice over the phone to assist the patient prior to the arrival of an ambulance. They may also ask you to turn on front lights if it is dark; if possible have someone wait out the front; and make sure the door is unlocked and open so the paramedics can enter.

Please remember to try and stay calm and speak slowly to the Communications Officer. Often an ambulance will be dispatched while you are still on the phone.

The Communications Officer will be able to direct you to the nearest Defibrillator and provide you with an access code. Defibrillators in the Shire of Cuballing are located:

- Cuballing Road house
- Dryandra Equestrian Centre
- Cuballing Recreation Centre
- Cuballing Mens Shed
- Popanyinning General Store

YOU MUST CALL 000 TO GET THE CODE FOR THE DEFIBRILLATOR
