## Cuballing Youth Day 2021

The brief was to provide mesmerising and spectacular murals for the Cuballing Skate Park toilet wall and by the way the Youth drew and painted that brief was met!

The day was well attended by 12 local Cuballing Youth ranging in ages from 6 to 15 who had different ideas on what Cuballing is to them. Settling on an abstract Orchid mural and a massive farming scene, the youth armed with paint brushes set about painting their bright, eye-catching murals.

A thanks goes out to Ros, Lucy and Rory Sands, Lauren, Kozwaie, Lexie and Tatum Ledger for implementing the initial design and all the prep work that led up to the youth been able to get in and paint on the day.

This project was funded by the Department of Communities and organised by the Shire of Cuballing.

If you have an idea for a 2022 Youth Week project, please email Michelle at [cdo@cupalling.wa.gov.au](mailto:cdo@cupalling.wa.gov.au) or a bright idea that might jazz up the parks around the town please send them in.

# ANZAC DAY 2021

The 2021 Shire of Cuballing Anzac Day Service was well attended on a crisp morning.

Shire President Cr Mark Conley made a moving tribute to those who served followed by the Prayer of Remembrance read by MC Cr Scott Ballantyne. Mrs Robin Newman and Mrs Pat McDougall then led us in singing the hymn "O God Our Help in Ages Past"

The wreaths were laid by Mr Ries Chattillon, President of the Narrogin Branch of the RSL and Cr Robert Harris. Mr Chattillon spoke The Ode followed by Emily Ballantyne playing The Last Post. Local lads Sam and Lucas Grieve raised and lowered the Australian and New Zealand flags.

After the One Minute Silence and The Rouse played by Emily, the flags were raised by Sam & Lucas.

Mrs Newman and Mrs McDougall then led the group in singing the National Anthems of New Zealand and Australia.

Grace and Adam from the Cuballing Tavern had prepared a morning tea of scones for all to enjoy at the completion of the service.

The Shire of Cuballing would thank all who participated, contributed and attended the Anzac Day Service.

The Shire of Cuballing has been awarded \$169,650 under the Department of Fire and Emergency Services Mitigation Activity Fund (MAF) Grants Program to support the fire management capacity within the Shire of Cuballing.

These funds are to be used for on-ground works to mitigate extreme, very high and high risks on land that is State Government controlled and managed by local government.

The Shire of Cuballing is about to commence these that include:

- reducing the extreme fuel loads in the reserve at the corner of Rose Street and Ridley Street Cuballing by mulching vegetation;
- establishing a fire access track in Yornaning townsite within the Horn and McCarthy Street road reserve in Yornaning;
- establishing and fencing a fire access track within the Edward Street road reserve in Popanyinning from the Hotham River, across Victoria Street to Daylesford Street;
- establishing a fire access track in Cuballing within the Boundary Road reserve from Springhill Road to Hart Street to Cuballing West Road in Cuballing; and
- mulching vegetation around wood road bridges throughout the Shire of Cuballing in order to reduce fuel loads beside these bridges

# CUBALLING VOLUNTEER ACTION GROUP

Throughout the April school holidays the Cuballing Volunteer Action Group took on the mammoth effort of designing and painting the Cuballing Skate Park.

With its striking colours and bold designs the Skate Park has a new lease on life and stands out amongst the lawn and surrounding trees.

As you skate, bike or scoot over the skate park be careful of the strategically placed painted sinkhole!

The Skate Park is now finished and open for many more years of wheeling fun.

Well done!

## Bushland Management Workshop

A Bushland Management Workshop was held in Dryandra Woodland on the 26th of March, with the 29 attendees hearing from a range of speakers discussing threats to habitat and best management techniques.

Carla Tassone from DPIRD spoke about weeds of national significance and their control. Peter Denton spoke about how to best plan and execute a successful revegetation project and how to choose the best species to plant in our changing environment. Jim Miller (DPIRD) discussed pest animals, focusing on rabbits and feral pigs and how to best control them including prioritising baiting, then trapping

and final shooting. Mitchell Davies (DFCA) talked about how to decide if and when you need to burn your bushland and how best do this to ensure you don't negatively impact on the vegetation and fauna with in it. Mitchell also took some of the attendees into Dryandra to show different areas of woodland at different stages post burn and the regeneration occurring in these areas.

Protecting on farm habitat is important for threatened species and we were able to hold this workshop through PHCC's Numbat Neighbourhood Project.

# HISTORY

Calling all history buffs.....

This series of photographs have been donated to the Shire of Cuballing. They are believed to be of a trail derailment in the Yornaning locality. No further information has been received.

The following article has been located on Trove from 1914.

## **ACCIDENT TO ALBANY-PERTH TRAIN.**

**Perth, Tuesday.**

The passenger train, Albany to Perth, was to-day derailed to the extent of trucks between Cuballing and Yornaning. No one was injured. The passengers returned to Cuballing. The cause of the accident is alleged to be due to neglect to signal by a repairing gang.

National Library of Australia

My questions:

1. Does the trove article/date correspond to the series of photos?
2. Does the landscape in the series of photos match the Yornaning Area?
3. Keep in-mind the photographer was a Pingelly - West Popanyinning based farmer.

If you have any further information relevant to these photos or of any other train derailment within the shire of Cuballing please email Michelle on [cdo@cuballing.wa.gov.au](mailto:cdo@cuballing.wa.gov.au) or 9883 6031.
