## **Popo Bonfire Night - A Raging Success**

Even bigger and better than last year!! – that phrase was heard over and over again.

The **Popanyinning Progress Association** is very pleased with the response and turnout

for its annual event. For the third year running the very talented and versatile band “The Krits” put on a marathon 6 hour performance that had people rocking and dancing right up to midnight.

A large crowd of locals and visitors, estimated at 400, attended the event. Approximately half of these camped on the oval overnight in 74 caravans, camper trailers, and numerous swags laid out next to cars.

The hungry hoard ate their way through 30kgs of roast beef litres of gravy, 200 sausages, and a small mountain of bread rolls. The new and updated version of “Popo Bonfire” stubby holders were put on sale, and the entire stock of 100 was sold out. At one stage people were paying double just to secure one!

The crowd enjoyed a relaxed family event, children were able to play safely in the floodlit tennis courts thanks to the CBH Grassroots funding that was secured in 2021, while the adults relaxed in the warmth of the very large bonfire, or danced to the music of The Krits.

A special thanks must be made to Cuballing Shire Council which provided some financial assistance, staff who built the bonfire, mowed the oval, and provided a marquee and cleaned up the area to make it safe to hold the event.

If you didn't get there this year, mark your diary for August 27<sup>th</sup> 2022.

## Adrian Kowald – (nominating for council)

Contact Info: 0408 953337 Email: [adrianpoppo@outlook.com.au](mailto:adrianpoppo@outlook.com.au)

Coming from a Great Southern farming family, and with 45 years work experience in government enterprise, private business, and community service, I bring a unique blend of skills to the local government. Using our limited dollars wisely is key to building a resilient community and improving our essential infrastructure.

Community Service includes:

- 25 years service with Aust. Army Reserve, attaining the rank of Warrant Office.
- Working on committees of sporting and recreational clubs.
- Currently an active member of Popanyinning Progress Association.

If elected my focus would be:

- Accountability & scrutiny financial decisions.
- Ensure the districts' core business of farming is supported.
- Support development of new business & tourism opportunities
- Consult widely with ALL community members on what they would like to see from their council.

My career background is project management on large government infrastructures, and multimillion dollar civil construction projects. I enjoy working with a variety of skilled and interested people to achieve common goals.

My first priority if elected:

To extensively seek feedback from residents of Cuballing & Popanyinning on what they want to see their Local Government doing to improve their community. Then work towards developing action plans and sensible policies that achieve this.

Council will face many challenges over the next four years and I would welcome the opportunity to bring thoughtful, well informed and inclusive decision making to the table.

# GOLF NOTES – AUGUST 2021

Welcome back to another instalment of Golf Notes, and all the goings on at the Cuballing Golf Club. The month of August has flown by and we are getting down to the business end of the season with Club Championships just around the corner in September.

We kicked off the month of August with the State Sand Greens in Narrogin. We had one lone warrior from Cuballing make his way in and take on the challenge, playing with some of the best golfers in the state. And what do you know, Rob Harris came out victorious winning the Nett with a 68 Nett 81 Gross on the Saturday and a 71 Nett 84 Gross on the Sunday, giving him a winning Nett score of 139 off the stick. Congratulations Rob, we are all thrilled!

Also on that weekend was the Wandering Open weekend. We had good representation on both days with our best result being Stu Budd and Mike Clark, coming 3<sup>rd</sup> Nett on the Saturday in the 4BBB.

The weekend of the 14<sup>th</sup> & 15<sup>th</sup> of August rolled around for the prestigious Cuballing Open Weekend. We had good fields on both days with 72 taking to course for the 4BBB Par, 51 Men and 14 Ladies hit the course on the Sunday for their respective Cuballing Cups. Firstly, a BIG thank you to everyone who helped make the weekend a success. Jenny McLeish and her team of helpers in the kitchen who as always do an amazing job in the kitchen with the food keeping everyone well fed. Peter George & Stu Budd for their work maintaining the course in the lead up to the event in the ever-challenging conditions this year has thrown at us. Cooper George & Graeme Dent for preparing the greens on Friday ahead of the weekend. Also to Cooper for his work, putting the novelties out each day and maintaining the bar. Last but not least thanks to Bevan "Bearing" George for leading us a quad bike for the weekend to get out on the course. (Get a better trailer next time 😊.) Also, a big thanks to our sponsors, without them this weekend couldn't happen: **Milne Feeds, SportsPower Narrogin, Narrogin Auto Electrics, Bill & Bens Hot Bread Shop, BP Williams, Whitford Fertilisers & Summit Fertilizers.**

The 21<sup>st</sup> saw us play Pingelly's Open Day with Cuballing taking a strong contingent of 20 in a total field of 46 players. The weekend saw another Cuby win with Nigel Parks winning the Seward Cup on 40pts making it his second Open win this year after winning the Simpson Cup in Wickepin last month. Well Done Nigel! The combined Nett Winners on the day were, Kade Maley & Ronnie Coppock with 72pts, Runners Up where Graeme Dent & Logan Hayes with 71pts. Combined Gross Runners Up was Bevan George & Garth Nottle with 47pts. Last but not least the Combined Vets winners were Mike Clark & Mick Anton with 65pts.

On the 28<sup>th</sup> a contingent of 13 Cuballing golfers made the trip to Boddington to play in the re-scheduled Great Southern Championships. An adjusted format was played with one day of 27 holes as opposed to the usual two days of 18. Perfect conditions for golf weren't enough to get any of us over the line for the main Gross of Nett prizes however, Chris "Wayne" Bolton did place 3<sup>rd</sup> Nett overall and Cooper George had the best Nett score over the 18 Hole Round.

And just like that we've wrapped up the "Pro" Tour for 2021 and can't wait to do it all again next year. Our next BIG event at the Club is on Thursday 9<sup>th</sup> of September with our annual midweek event in the FFF Day. FarmWorks, Fuel & Fertiliser. Please see the flyer on the next page for further information.

## A big thank you to Rob and Ali Biddiscombe

Rob and Ali Biddiscombe of Beaconsfield have kindly donated 120 seedlings of Wandoo (*Eucalyptus Wandoo*) and Swamp sheoak (*Casuarina obesa*) for Tunbridge Gully in Boddington. Rob grew the plants using seed of local provenance.

Through hard work and nurturing, a successful crop was achieved. Once established the seedlings were transferred into cardboard tubes (aka toilet rolls) where they have flourished.

Rob and Ali recently spent the morning helping to plant these seedlings at Tunbridge gully with Helen Parsons.

We look forward to watching these species establish themselves with this years seedlings.

## Yornaning Dam

What a transformation it has been for our local and popular dam site. Over a period of time our local council has carried out revegetation projects to enhance the environment around the dam site. The carpark has been reduced in size and the area cordoned off with bollards. Local native trees and shrubs have been planted by council and local volunteers and these are progressing well. The bulrushes growing in the dam waters are [Baumea articulata,] a native freshwater rush providing habitat for waterfowl, frogs and the native long necked turtle [Chelodina colliei] along with many other aquatic creatures. The dam now is fully charged with good water following our wet winter. Just recently Western Banjo Frogs could be heard calling in the rushes. A wonderful place to visit, with picnic tables and barbecues in place along with extensive playground equipment for the kids [and big kids!] plus a walkway and nature trail for access to wildflowers and woodland birdlife.

Take your camera and binoculars and treat yourself to a wildlife feast.

## CARAVAN CLUB VISIT CUBALLING & POPANYINNING

The BiTone West Coast Caravan Club chose to visit Cuballing and Popanyinning last weekend. The club regularly holds monthly weekend rallies at many small WA towns. It has been about 4 years since the club last visited Cuballing, but the opportunity to attend the Popo Bonfire at the same time clinched the deal.

Twenty seven vans arrived after midday on Thursday and setup around the cricket oval. By 4pm the recreation centre was packed as the cold wind forced everyone inside for their happy hour drinks. That night, members had a 'Soup and Desserts' night followed by card games. Friday started with an early morning walk around town, then after morning tea they headed off the Yornaning Dam for a picnic lunch, BBQ and bush walk.

Friday night, 54 hungry caravaners headed to the Cuballing Hotel for dinner. Grace, Adam and staff did an excellent job getting everyone fed on time with good service and great food.

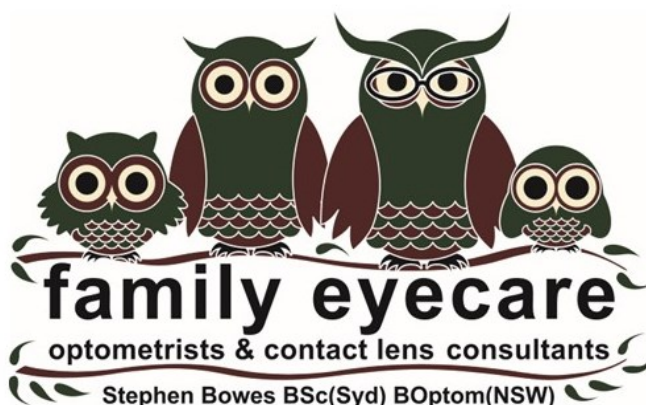

Saturday, after morning tea, the caravans were hitched up the convoy headed to Popanyinning. There they parked on the oval, amongst the already gathered mass of vans, camper, motor homes and swags, all keen to experience the Bonfire night. They were not disappointed with music, the food or the community atmosphere that made it a highlight of their short visit to our region.

Over the four days, the caravaners injected about \$4,000 into the local economy through fees, meals, fuel and personal spending. In return they went home impressed with the hospitality they received from locals, plus what they saw and experienced whilst here.
