Comment

A review of some of the committees and delegates that Council participates in may be appropriate. Does the group still exist and is it still active? Is Council representation still appropriate and worthwhile?

Council has scheduled an Extraordinary Election for 16 December 2023. The Nomination period opens on 26 October and closes on 2 November. This means that there could be a new Councillor appointed as early as 2 November or as late as 16 December.

Where representation may not be required between now and 16 December there may be a case for deferring consideration of some appointments until the December OCM.

Committee/Service	Comment
Audit Committee	<p>An audit committee is a mandatory requirement under the Local Government Act:</p> <p style="text-align: center;">Division 1A — Audit committee <i>[Heading inserted: No. 49 of 2004 s. 5.]</i></p> <p>7.1A. Audit committee</p> <p>(1) A local government is to establish an audit committee of 3 or more persons to exercise the powers and discharge the duties conferred on it.</p> <p>(2) The members of the audit committee of a local government are to be appointed* by the local government and at least 3 of the members, and the majority of the members, are to be council members.</p> <p style="text-align: center;"><i>* Absolute majority required.</i></p> <p>(3) A CEO is not to be a member of an audit committee and may not nominate a person to be a member of an audit committee or have a person to represent the CEO as a member of an audit committee.</p> <p>(4) An employee is not to be a member of an audit committee.</p> <p>In the past all Councillors have been members of this committee. Council can continue this or select only a portion of the Council. Council can also appoint delegates with valuable or worthwhile skills to the committee from outside Council.</p> <p>This Committee meets irregularly and nearly always prior to Council Meetings.</p>

Committee/Service	Comment
Cemeteries Advisory Committee	<p>This committee met for the first time in October 22. It was be established to make recommendations to Council on matters relating to the Popanyinning Cemetery, the Cuballing Cemetery, lonely and heritage graves, niche facilities, the Shire of Cuballing Cemeteries Local Law 1998 generally, including but not limited to;</p> <ul style="list-style-type: none"> • Fees and charges; • Maintenance quality, practices and procedures; • Infrastructure requirements; • Design elements; • Relevant and required Policies; • Availability of supply and; • Trends in cemetery management and community expectations and needs <p>This Committee has one Council delegate and 4 delegates appointed by Council. The CEO has advertised for community delegates and sought responses from existing members to see if they wish to continue. The committee presently meets twice per year with the next meeting due in October / November.</p>
Bush Fire Advisory Committee (BFAC)	<p>Council can appoint any people it is believes appropriate to this Committee under the Bush Fires Act. It is appropriate to have a Councillor and the CEO appointed as delegates to this committee. This committee meets twice a year, in evenings in April and September.</p> <p>The Committee consists of all FCOs, but also invites DFES representatives. The committee does not meet again until after the fire season.</p>
Dryandra Regional Equestrian Park Management Committee	<p>Committee with representation from Council, Dryandra Regional Equestrian Assoc. and Dryandra Pony Club. Meet irregularly to discuss management of Dryandra Regional Equestrian Centre.</p>
Dryandra Voluntary Regional Organisation of Councils (DVROC) Dormant	<p>This Committee has not met in the last four years. The Committee's purpose was to allocate Royalties for Regions regional funding allocations. Recommend this group be removed from the list.</p> <p>The Shire is now part of the Hotham Williams Voluntary Regional Council.</p>

Committee/Service	Comment
Education (School Awards, etc)	<p>Council Delegate is anticipated to attend school events to present awards. The intent was that this delegate would be invited to attend events at local schools, particularly presentation nights in October and November.</p> <p>There is usually plenty of lead time for school events. Suggest that invitations be passed on to individual Councillors depending on availability at Council forums.</p>
<p>Cuballing Wickepin Local Emergency Management Committee</p> <p>May be replaced by Cuballing, Narrogin Wickepin LEMC</p>	<p>Propose to continue to nominate CEO and one Councillor – preferably the President as Delegates. In an emergency the President will be called upon to speak on behalf of Council and lead a recovery committee, so involvement is important.</p> <p>This committee meets twice a year, in afternoons in April and September, but if the replacement committee is formed it will meet 4 times per year.</p>
Popanyinning Progress Association	<p>No formal membership of this committee is required and there is no formal role for the delegate. While Councillors may choose to nominate and be appointed, other Councillors with interests in Popanyinning may still attend meetings.</p> <p>This Committee meets at 6.30pm on the last Wednesday of each month other than December and January.</p> <p>Cr Kowald is presently treasurer and the CDO is president of the PPA. The CEO attends meetings from time to time.</p>
Wheatbelt South Regional Road Group	<p>The Regional Road Group is responsible for distributing State Road funds to Local Government. The Wheatbelt South RRG has 4 subgroups each consisting of 4 or 5 Shires. We are in the Narrogin Sub-group.</p> <p>Each sub-group nominates a member to the RRG and this member becomes a voting decision maker for the RRG. Sub-Groups also nominate delegates to the Technical Advisory Group which provides advice to the RRG.</p> <p>The sub-Group meets as required. The RRG meets several times a year, normally on mornings in Wickepin, and CEOs and subgroup members may attend. The Delegate will attend subgroup meetings in Williams accompanied by either the CEO or MWS.</p> <p>The sub-Group also elects a delegate to the Wheatbelt Secondary Freight Network Steering Committee and Technical Advisory Committee</p>
Great Southern Regional Waste Alliance	This group has been wound up and the balance of funds distributed to member Councils.

Committee/Service	Comment
<p>Dryandra Country Visitors Centre Committee</p> <p>Renamed Narrogin Dryandra Visitor Centre</p>	<p>While Cuballing is notionally still a member, Cuballing attractions no longer feature on the website and the administration is now part of the Shire of Narrogin. We were not invoiced for our financial contribution in 2022-23, though it remains in the budget.</p> <p>It is suggested that Council not nominate a delegate at this stage.</p>
<p>Central Country Zone of WALGA</p>	<p>The Zone structure is part of the governance arrangement for WALGA. Each Council is a member of a Zone, in our case Central Country Zone. This group is made up of 13 member Councils of the WALGA. Council is entitled to two delegates on the Zone. The Zone in turn elects a representative and a proxy for the WALGA State Council. .</p> <p>The Zone meets 5 times per year, with the venue rotating alphabetically between members. Cuballing hosted one of the meetings in 2023, so won't host again until 2026. The Next Zone meeting is scheduled from Friday 17th November in Lake Grace</p> <p>While there are 2 voting delegate for each Local Government, Councillors are welcome to attend as observers at any time.</p> <p>See attachments 9.1A and 9.1B.</p>
<p>Development Assessment Panel</p>	<p>Council can nominate 2 delegates and 2 Deputy Delegates to this panel to sit on DAP reviews of large planning applications in the Shire of Cuballing. Council's nominees must be appointed by the Minister and are required to complete training.</p> <p>The term of current members expires on 24 January 2026, and new nominations must be provided to the Department by 24 November 2023 to allow sufficient time for Ministerial approval.</p> <p>Shire of Cuballing last convened a DAP meeting in 2020.</p> <p>See Attachment 9.1C</p>
<p>Plant Management Review Group</p>	<p>This is an informal group of 2 elected members, CEO and MWS who meet to discuss Council plant management. The group makes recommendations to Council in relation to plant, including input into the 10-year plant replacement program and budget deliberations.</p>

Committee/Service	Comment
Wheatbelt South Aged Housing Alliance	This group has worked to obtain aged housing in this region. It was through this group that the funding for the Independent Living Units was obtained. Council should appoint a delegate and a proxy delegate. This committee has not convened during the last 2 years. The group could be revived if more funding becomes available for aged housing.
Cuballing Volunteer Action Group	No formal membership of this committee is required and there is no formal role for the delegate. The group meets on an ad hoc basis, and even though we have encouraged them to invite someone from the Shire it does not seem to happen.
Shire of Narrogin's CATS Stakeholder Reference Group	This committee is made up of contributors to the Shire of Narrogin's Community Assisted Transport Service (CATS) program. This group meets once each year, to make recommendations on funding matters of the program.
Hotham Williams Voluntary Regional Council	<p>This group is a Voluntary Regional Organisation of Councils which is an unincorporated group of Councils seeking to cooperate on joint projects and common issues. The group consists of Boddington, Cuballing, Wandering and Williams.</p> <p>The establishment agreement specifies Shire Presidents and CEOs as delegates. Council may wish to appoint a Deputy Delegate.</p>

About WALGA

WALGA is an independent, member-based, not for profit organisation representing and supporting the WA Local Government sector.

Our purpose is to leverage the collective strength and influence of the Local Government sector for the benefit of WA Local Governments and their communities.

What does WALGA do?

WALGA provides value to Member Local Governments by advocating and facilitating sector solutions and policy, and by delivering member-centric, quality services.

How does WALGA work?

WALGA employs approximately 100 staff across the areas of:

- Policy, including asset management, community, emergency management, environment, infrastructure, planning, roads and waste;
- Services and advice including governance, industrial relations, procurement, recruitment, supplier panels, tender management, and training for officers and Elected Members; and
- Operational functions including events, finance, human resources, information technology, marketing and media management.

How is WALGA funded?

A number of components contribute to the WALGA operational budget. As with most member-based organisations, WALGA has an annual Membership fee paid by all Member Local Governments. To ensure fairness, the annual Membership fee is indexed to the size and capacity of each Local Government. It contributes less than 10 per cent of WALGA total turnover.

WALGA secures additional funding through charges to State and Federal departments and agencies for the administration of grants; fee-for-services selected for use by Member Local Governments; and returns from supplier contracts as part of group buying arrangements that guarantee lowest market rates for Members.

Role of Zones

State Councillors are elected to State Council from one of 17 Zones, which are groupings of Local Governments convened together on the basis of population, commonalities of interest and geographical alignment.

The relationship between State Council and Zones within the Western Australian Local Government Association is a critical one in the political representation of Local Government at the State and Federal levels.

Zones have an integral role in shaping the political and strategic direction of WALGA. Not only are Zones responsible for bringing relevant local and regional issues to the State Council decision making table, they are a key player in developing policy and legislative initiatives for Local Government.

WALGA's Constitution outlines that the functions of Zones are to:

- elect one or more State Councillors;
- consider the State Council agenda;
- provide direction and feedback to their State Councillor; and
- any other function deemed appropriate by the Zone.

Additional activities undertaken by Zones include:

- developing and advocating on positions on regional issues affecting Local Government;
- progressing regional Local Government initiatives;
- identifying relevant issues for action by WALGA;
- networking and information sharing; and
- contributing to policy development through policy forums and other channels.

Zones provide input into State Council's advocacy efforts in two critical ways:

1. by passing resolutions on items contained in the State Council Agenda; and
2. by generating new Agenda items for consideration by State Council.

Zone Motions

To generate new Agenda items for consideration by State Council, a Zone may pass a resolution requesting that WALGA take action. For example, a Zone motion may request WALGA to investigate an issue, undertake advocacy, or develop policy.

It is best practice that Zone motions are submitted with the backing of a resolution of Council. However, as Zones are self-governing and autonomous, individual Zone Delegates may submit motions for the Zone to consider.

It is recommended that the Zone be advised whether a motion to be considered has been endorsed by Council or has been submitted by an individual Zone Delegate.

Role of a Zone Delegate

Zone Delegates are elected or appointed to represent their Council on the Zone and make decisions on their Council's behalf at the regional level.

In fulfilling their role as Council's representative, the Zone Delegate should give regard to their Council's positions on policy issues.

There is also an expectation that Zone Delegates will report back to their Council about decisions made by the Zone.

Role of State Council

WALGA is governed by a President and a 24-member State Council, elected from the Local Government sector.

Each State Councillor represents a WALGA Zone. There are 5 metropolitan Zones and 12 country Zones. All 139 WA Local Governments are invited to be Members of WALGA and a Zone.

Elected Members are able to nominate to represent their Local Government on their Zone and in turn, through the Zone election process, to represent the Zone on State Council.

State Council's primary role is to govern the successful operation of WALGA and broadly includes:

- Strategy formulation and policy making;
- Development, evaluation and succession of the Chief Executive Officer;
- Monitoring financial management and performance, including the annual budget;
- Monitoring and controlling compliance and organisational performance;
- Ensuring effective identification, assessment and management of risk;
- Promoting ethical and responsible decision making;

- Ensuring effective communication and liaison with members and stakeholders; and;
- Ensuring an effective governance framework and culture.

Role of a State Councillor

State Councillors have ultimate responsibility for the overall successful operations of WALGA.

The principal roles of State Councillors relate to:

- policy positions and issues;
- the strategic direction of WALGA;
- financial operations and solvency; and
- all matters as prescribed by law.

State Councillors, as directors of a board, are required to act consistently in the “best interests of the organisation as a whole”. This effectively means that the duties of a State Councillor are owed to all Member Local Governments.

State Councillors are also expected to be champions for WALGA and for the Local Government sector.

Commitment of the Role of State Councillor

State Councillors are expected to attend State Council meetings, of which there are five ordinary meetings per year. As State Councillors are elected to State Council by their Zone, State Councillors would also be expected to attend and play a prominent role in Zone meetings, including reporting back to their Zone about WALGA’s activities and advocacy.

State Councillors are expected to attend WALGA events and functions and play an active role in representing the Local Government sector, and contributing to policy debates and other forums.

State Council operates a number of internal and external committees and policy forums. There is an expectation that State Councillors play a leading role in serving on State Council’s committees on behalf of WALGA and the Local Government sector.

State Councillors are paid an annual sitting fee and expenses incurred to attend State Council meetings are reimbursable.

Opportunities for State Councillors

State Councillors, as board members of WALGA, are key leaders in the Local Government sector in Western Australia. Not only do State Councillors represent their community on their Council, they also have the opportunity to represent their region (Zone) and the Local Government sector at the state level.

All State Councillors will be appointed to a Policy Team or the Finance & Services Committee. Policy Teams provide State Councillors with hands-on exposure to development of policy positions and submissions to Government on behalf of the WA Local Government sector. The Chair of the relevant Policy Team will also have the opportunity to attend meetings with Government Ministers to advocate on behalf of Local Government.

Become Involved

We hope that involvement in your Association – by representing your Council on the Zone, or representing your Zone on State Council – will be an enriching and rewarding experience.

Consider nominating for a position on the Zone or State Council and play a role in shaping policy and advocacy on behalf of Local Government in Western Australia!

Dear Mr Scott

**DEVELOPMENT ASSESSMENT PANELS – LOCAL GOVERNMENT
NOMINATIONS**

As you are aware, representation of local interests is a key part of the Development Assessment Panel (DAP) system. In accordance with this premise, under Regulation 24 of the *Planning and Development (Development Assessment Panels) Regulations 2011*, Councils are required to nominate, as soon as possible following elections, four elected members to sit as DAP members.

In addition to the above, all existing local government DAP members are currently appointed for a term ending 26 January 2024. Prior to this expiry date, your local government is required to nominate four (4) DAP members for appointment by the Minister for Planning.

Given the upcoming local government elections on 21 October 2023, both requirements can be met by using the attached form and submitting it and a copy of the Council resolution, via email to the DAP Secretariat at daps@dplh.wa.gov.au, no later than Friday 24 November 2023.

If you are unable to provide nominations by the above date, please contact the DAP Secretariat to discuss alternative arrangements and implications.

The WA Government has launched OnBoardWA as part of its commitment to increase the diversity and backgrounds of Government Boards and Committees along with the total number of women appointed.

I encourage you to consider diversity of representation when putting forward your nominations in supporting this important commitment. Further Information about OnBoardWA can be found at [OnBoardWA | Welcome to OnBoardWA \(jobs.wa.gov.au\)](https://www.onboard.wa.gov.au).

The WA Government is committed to continue implementing the Action Plan for Planning reform to ensure the planning system continues to deliver great outcomes and great places for Western Australians. Changes to the DAP system, identified as part of the reform initiatives, aim to provide a more robust DAP process that promotes consistency and transparency in decision-making.

Please note that the local government membership configuration on DAPs will not be affected by the reform initiatives.

If you have any queries regarding this request for nominations, please contact Ashlee Kelly at the DAP Secretariat on (08) 6551 9919 or email daps@dph.wa.gov.au. Further information is available online at [Development Assessment Panels \(www.wa.gov.au\)](http://www.wa.gov.au).
