## Community Meeting

The Shire of Cuballing hosted a community meeting on the 20/02/24 attended by over 80 members of the Cuballing and Popanyinning Community.

The purpose of the meeting was to provide information to the public, provide the opportunity for questions and feedback and possible improvements following a spate of deliberately lit fires and antisocial behaviour directed at volunteers. Representatives included the Shire CEO

and Deputy Shire President and Chief Bushfire Control Officer, from Police the Regional Inspector and the Narrogin OIC, and from DFES the regional superintendent. The attendance by the most senior officers is an indication that everyone is taking the issue very seriously.

The meeting was also provided information on mental health and wellness supports available. Many community members stayed after the closure of the formal meeting for individual and small group conversations with police, Shire and DFES representatives

Some of the themes of the meeting included:

- Strong support and gratitude for the efforts of volunteers;
- Opportunities for improved communication around incidents and responses;
- The importance of information and intelligence from the community;
- The use of 000, Crime Stopper and direct contact with local police;
- Volunteers and community members feeling unsafe as a result on actions by one or two individuals, and police response to these incidents; and
- Dealing with blocks with high fuel loads and lack of fire mitigation.

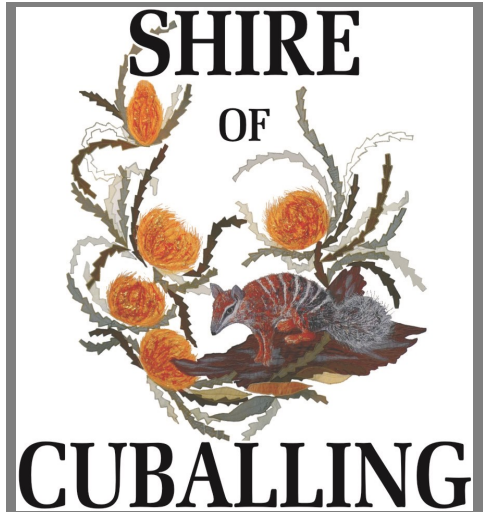

## PRESIDENTS PEN

The spate of intentionally lit fires has rattled our community, and with good reason. I have lived in Cuballing for over 30 years and this is the first time we have had to face anything like this. It has put so much pressure on our volunteer firefighters and on our staff, and it has been a frightening and horrible experience for our Cuballing residents. From the Community meeting last Tuesday (which I couldn't be present for but have been informed of at length), we can be assured that the police are taking it very seriously and we have noticed a much-increased police presence around town. It is so important that we all keep our eyes and ears open to suspicious behaviour and be ready to alert the police and, if possible, take photographic evidence. This also goes for the defacement of public property – the graffiti on our beautiful entrance statement is very sad to see. Somebody in our community knows who the culprits are. We all have to work together to make sure they are caught very soon.

Our drying climate is going to see us increasingly under threat of bushfires. This is something that Council is taking very seriously and will be reflected in a change in our bushfire provisions and enforcement in the future. We have to reduce the fuel loads and ensure there are adequate fire breaks in and around our towns. We also need to make sure our fire brigades are adequately trained, provisioned and resourced. They have gone above and beyond this year and for that we are extremely grateful.

## COMMUNITY MEETING—*continued*

Agencies acknowledged the community's legitimate concerns. Police will increase patrols in Cuballing especially in the evening and overnight. Police invited individual community members to contact them directly. The Shire flagged means for improving mitigation including on private land through stronger rules and increased enforcement. DFES is assisting the Shire to obtain more bushfire mitigation funding. The Shire will also investigate dashcams for Fire Trucks.

If there are things you have heard and think the police should know please call Crime Stoppers on 1800 333 000. If you have witnessed a crime or have CCTV footage of suspicious activity please contact Narrogin Police. For emergencies including reporting a fire please call 000.

The Shire can be contacted by phone 98836031, [enquiries@cuballing.wa.gov.au](mailto:enquiries@cuballing.wa.gov.au) and by mail PO Box 13, Cuballing 6311

Thank you for all donations from the Cuballing Winter Ball, thank you to our Volunteers and attendees. We would not have been able to make this wonderful and meaningful donation without you all.

# COUNCIL SHORTS

## All the action from the February Council Meeting

The Shire held its first meeting for 2024 on 21 February 2024. Council met in the CWA Hall in Cuballing, and this will be the regular meeting place for Council. Council was joined by several community members for this meeting and the Shire CEO provided updates on a range of matters raised:

- Progress on the railway reserve lease – nothing concrete but work continues;
- Strategic Community Plan – adopted February 2024
- Shire still seeking big ideas
- Community Builders- Community Development Action Plan – coming from Rural Aid;
- Community hubs in Popanyinning and Cuballing progressing
- Cuballing Heritage Walk – will be finalised shortly
- Light Industrial Area – still to identify suitable site
- Heavy Vehicle Rest Area – concept plans developed – CEO investigating funding options;
- Council Elections – still one vacancy – new election date 4 May 2024
- Why did we extend footpath on Campbell Street – ratepayer request
- Requested relocation of planter boxes from independent living units to roadhouse – declined.

## Payments and Financials

Council does not meet in January, so Council considered financials for both December and January.

## Planning Reform

At the close of nominations on 25 January there were no nominations for Council. Council set a new election date of 4 May 2024. Nominations will be open from 14 March 2024 and close at 4.00pm sharp on 21 March 2024. The vacancy is for a 16-month period, and will be a really great opportunity to try being a Councillor without committing for a full 4 years term.

## Strategic Community Plan

Council has formally adopted the Strategic Community Plan that it has been working on for over a year. The plan is high level and succinct. There is also a companion document with facts and figures and compliance material.

## 2023 Annual Report & Annual Electors Meeting

Council has now adopted its 2023 Annual Report. An unqualified audit report was endorsed by the Auditor General in December last year and this has been incorporated into our annual report.

As happens every year we will be convening our Annual General Meeting of Electors. Community members can come along, see the annual report and ask questions or provide feedback to Council. The AGM will be held at 6.30 pm on Wednesday 20<sup>th</sup> March following the March Council Meeting.

## Cuby Groove Music Festival

Council has decided to support an ambitious music festival scheduled for 13<sup>th</sup> and 14<sup>th</sup> September 2024. The festival will involve a nationally significant performer as a headline act supported by local acts on Saturday night, a concert for local performers on Friday night and a range of activities on the Saturday which may include markets, exhibitions, buskers and community activities.

# CUBALLING HERITAGE TRAIL—PUBLIC COMMENT

The Shire of Cuballing proposes a new updated Heritage walk around the town of Cuballing. The plan will be simple and consist of the sites that have once stood or still do and have or had a significant input in the way Cuballing was. Each site has been carefully chosen but the Shire of Cuballing are now asking for public comment, do you agree with the proposed sites below? Do you have any suggestions, changes or comments? We would love to hear them and you can contact Michelle on [cdo@cuballing.wa.gov.au](mailto:cdo@cuballing.wa.gov.au) or 98836 031

Below are the sites proposed for the Heritage Walk:

- walk trail directly around cuballing townsite, and
- Large informative sign to be located as a starting point of the trail – Possible QR code that links to the Shire of Cuballing website to go into more detail of the site should the elderly or public not walk the trail but still want to remember or read.
- Cuballing CBH & Railway station,
- Carriage works and Skating rink which were located on the same lot,
- Station House,
- Cuballing tavern,
- General store,
- Butcher,
- West Australia Bank,
- Cuballing War Memorial,
- Uniting Church,
- Cuballing Post Office,
- Cuballing Ag Hall,
- C.W.A Hall,
- Cuballing School House,
- St Peters Church,
- Ingersley House,
- Dungog House; and
- Rec Centre

Example of the proposed plinth

Once the proposed walk trail is finalised a plinth will be installed outside each building, consultation with private residents will be undertaken first. The heritage walk project will not be completed quickly, manufacturing of the plinth, research of the history, graphic design of the plaques and then installation of the plinths will take time.

Please if any resident has any photos slightly related to any of the above or other sites it would be lovely if the Shire of Cuballing can obtain a copy . THANK YOU to those who have already donated or allowed the Shire to copy originals.

# CALL FOR NOMINATIONS

## To be a Local Government Councillor of the Shire of Cuballing

You would be involved in running an organisation with the responsibility for making decisions that have a major impact on our lifestyle. As a representative of your community, you will find the role enjoyable, challenging and stimulating with involvement in matters as diverse as recreation, libraries, the environment, land use planning, health, roads and many more. Meeting fees and some expenses are paid. Training is provided prior to nomination and further if successfully elected to equip you to undertake this important role for your community.

### Vacancies

1 x Councillor

**The term for vacancies is 18 Months (expires Oct 2025)**

### Who can nominate?

Any person who is an Australian Citizen over the age of 18 years who is an elector of the district and is not disqualified under the *Local Government Act 1995* may nominate for election to council.

### When to nominate

Nominations open on 14 March 2024 and close at 4.00pm sharp on 21 March 2024.

### Where to nominate

At Shire of Cuballing, 22 Campbell Street, Cuballing 6311

Nominations must be on a prescribed form that is available from the council office. An \$100 nomination deposit is required as well as a profile of the candidate consisting of no more than 1,000 characters (including spaces). You can include a recent passport sized photo of the candidate's head or head and shoulders if you wish. If unable to personally attend to nominate, an authorised agent can do this on a candidate's behalf. You must complete an on line candidate induction prior to nominating. Search Candidate induction at [www.dlgsc.wa.gov.au](http://www.dlgsc.wa.gov.au) or contact the Returning Officer for details.

If you wish (but is not compulsory) you can also provide additional supplementary candidate information in text form of up to but no more than 2,000 characters (including spaces). This supplementary candidate information will be displayed alongside your candidate profile on the local government's website and/or council office noticeboard but will not be included in the election package that is posted to electors with the ballot paper(s).

**More information – A nomination pack is available from Stan Scott or Michelle Atwell at the Shire of Cuballing on 9883 6031.**

## Rabbit control - What you can do

European rabbits have a huge impact on the natural environment and agricultural activities. It is estimated that rabbits cost Australian Agriculture \$216 million in production losses each year. Rabbits are one of the most widely distributed and abundant animals in Australia. They have a rapid rate of reproduction with a female rabbit becoming sexually mature at just 4 months of age and they can have 5 or more litters per year with up to 5 young in each litter.

To control rabbits on your property you first need to assess and understand the problem and to plan your control methods. There are a number of control methods to choose from including warren destruction, ground shooting, 1080 baiting, RHDV1-K5 rabbit virus release and trapping. Warren destruction can be quite effective as rabbits depend on warrens to shelter from the heat and to provide protection from predators. There is no silver bullet for rabbit control, control efforts need to be coordinated and ongoing with the greatest success achieved when neighbouring property owners are involved.

The Pestsmart website has some great resources on rabbits and their control including the comprehensive Glovebox Guide which is available on their website or you can pop into PHCC's Boddington Office for your free copy.

## Are you up to date with your bowel cancer screening?

Cancer Council WA is calling for more West Australians to complete the free lifesaving bowel cancer screening test, with figures showing only four in 10 eligible Australians are participating in Australia's National Bowel Cancer Screening Program.

Bowel cancer is Australia's second biggest cancer killer. Many people do not realise it kills more Australians each year than breast, prostate, or skin cancer.

When you receive the Home Test Kit, don't put it in the cupboard and forget about it - delaying can so easily become ignoring, forgetting, and ultimately not doing the test.

The test is quick, simple and you can complete it in the comfort of your own home. Over 90 per cent of bowel cancer cases can be successfully treated if caught in the early stages.

To find out more about the National Bowel Cancer Screening Program or to order a free replacement kit, go to [bowelcancer.org.au](http://bowelcancer.org.au) or call **1800 627 701** for more information.

## Find Skin Cancer Early

Common skin cancer symptoms:

- A new spot or mole on your skin that is red, pale, or pearly in colour
- A spot that is different from other spots on your skin
- Any crusty or non-healing sores
- Any spots, freckles or any moles changing in size (width), thickness (height), colour, or shape

Get to know your skin and what's normal for you, particularly if you're over 40 years of age. If you notice any of these symptoms or any other unusual changes, tell your doctor without delay.

If it's skin cancer, the earlier it's found, the greater the chance of successful treatment.
