## PRESIDENTS PEN

Council and staff have been working hard to deliver a robust budget for 2025/26 for the Shire and that will come out this month. The Wheatbelt Secondary Freight Network on the Cuballing East Road has been a major project for the Shire in the last few years and has taken up much of the Shire's resources in terms of plant and labour. It has also provided a large amount of revenue which has enabled us to build up our road building capability and upskill our staff. Whilst this project will carry on, the Shire will be putting more of a focus on maintaining our existing assets i.e. more time and money spent on the rest of our roads including cleaning out and restoring culverts etc in the coming 12 months.

Council elections are looming (October 2025) with nominations for councillors due in next month. If you have ever considered serving on Council (or even if now is the first time you have thought about it), now is a good time to put those thoughts into action! If you want to know more about what is involved, please contact me or one of the other councillors – we would be very happy to talk to you. Nomination packages are available from the Cuballing Shire. Personally I have very much enjoyed my time serving on Shire, particularly working with other people from within the shire and from around WA who are wanting the best for their communities.

With best wishes

**Eliza Dowling**

# ART EXHIBITION

## “MY CREATIVE JOURNEY”

### An exhibition by Cuballing Artist PETER DENTON

Peter Denton, artist in residence at Chedoona Gallery Cuballing WA will be presenting a solo exhibition portraying his creative works at the ARTSPACE ROOMS Narrogin commencing on Friday the 12<sup>th</sup> September 2025. Peter, an accomplished self-taught artist working in water-colour, acrylics, graphite, ochres and mixed media will be displaying a large variety of subject matter; from wildlife, landscapes, seascapes and more using traditional and impressionist styles.

“I always try and be myself as an artist, being creative with brush in hand rarely using photo references and refuse to use artificial electronic aids for compiling my works”

# COUNCIL SHORTS

With the State and Federal elections now complete, the next election on the horizon will be for all Local Governments in WA, and thus the Shire of Cuballing, to be held on Saturday 18 October 2025.

The Council of the Shire of Cuballing comprises 6 elected members, and three of these positions will be vacant for the election. Nominations for Councillor candidates will open on Thursday 28 August 2025 and close a week later at 4pm Thursday 4 September 2025.

Our Councillors play an important leadership role within our community, and becoming a member of Council is one way you can ensure community perspectives are heard and considered in local decision making.

Undertaking the role of a Council member is a big personal commitment. The Department of Local Government, Industry Regulation & Safety (DLGIRS) has developed an induction course to assist your understanding of what the obligations and commitments will be if you are elected. It is compulsory to complete this induction before you nominate, and it will take approximately 30 minutes to complete. At the end of the induction, you must complete the online registration to receive an official confirmation from the Department and it is strongly recommended that this digital or email copy accompany your candidate nomination form. It is an offence to make false or misleading statements in the nomination form, and penalties may apply.

To access the online induction course, please go to <https://www.dlgsc.wa.gov.au/local-government/local-governments/council-elections/induction-for-prospective-candidates>.

## Rates Information for 2025/2026

### Updated Personal Details

As the 2025/2026 Rates soon approach, it is important to ensure that you have correct and up to date personal details. Please ensure, that if you have changed your postal address, email address, etc, that you notify the Shire of Cuballing either in person or via email.

Should you wish to receive your Shire Rates via email, please contact the Rates Officer on 9883 6031, or via email at [rates@cuballing.wa.gov.au](mailto:rates@cuballing.wa.gov.au). Although your rates will be emailed, a physical copy will also be sent in the post along with your Recycling Calander, Tip Pass and any other rating information.

### Pensioners

If you are in receipt of a Pensioner concession, please bring your current pensioner concession card or seniors' card to the Front Office. This is to update any changes for the new financial year.

If you have obtained a new concession card in 2024/2025, you will be eligible for a concession on your Rates for 2025/2026. You will need to complete an application form along with provide a copy of your concession card.

#### Office Opening Hours:

# COUNCIL SHORTS

## 2025 Local Government Elections

Local government elections in Western Australia will take place on Saturday 18 October 2025. This year the Shire of Cuballing will be conducting an in-person election.

### Key dates

**Enrolment** – Check, update or enrol to vote by 5pm Friday 22 August 2025

**Nominations Open** – Thursday 28 August 2025

**Close of nominations** - 4pm Thursday 4 September 2025

**Election day** – Saturday 18 October 2025; vote in person on election day at the designated polling place, vote early or apply for a postal vote from the Shire Administration Office.

### Enrol to vote

All eligible electors must enrol to vote. When you enrol to vote, you are enrolled for Commonwealth, State and local government elections. You can check your enrolment online.

You can –

Enrol to vote at <https://www.elections.wa.gov.au/enrol>

Check your details at <https://www.elections.wa.gov.au/oes#/oec>

Update your enrolment at <https://www.elections.wa.gov.au/update>

This is important if you have:

- moved house
- changed your name
- turned 18 recently
- become an Australian citizen
- not yet joined the electoral roll or want to check or update your enrolment details

### How to vote

Optional preferential voting is the voting system used in local government elections. This means you have the choice to number the candidates in the order of your preference. You do not have to number all the boxes if you don't want to.

You have the choice to:

- vote for one candidate - by putting a 1 next to their name
- vote for some candidates - by numbering several candidates in the order of your preference
- vote for all candidates - in the order of your preference

### Who can vote

#### Residents

All residents in the Shire of Cuballing who are enrolled on the State electoral roll are automatically enrolled on the Shire's local government roll. You must make sure you are correctly enrolled, and your details are up to date by 5pm 22 August to vote in the local government elections.

#### Owners and Occupiers

People who own or occupy rateable property within the Shire of Cuballing local government district can apply to be included on the roll as an owner/occupier, as long as they are eligible electors. Where a company or body corporate owns or occupies rateable land, up to two people can be enrolled to vote on its behalf.

#### **Office Opening Hours:**

**Monday—Thursday,**  
8.30am—4.30pm

**Friday,**  
8.30am—4.00pm

PO Box 13  
Cuballing WA 6311  
Ph: 08 9883 6031

### **2025 Local Government Elections Candidate Information Webinar**

The WA Local Government Association, together with the Department of Local Government, Industry Regulation and Safety (LGIRS) and the WA Electoral Commission, will be hosting an Election Candidate Information webinar ahead of the opening of nominations for the 2025 Local Government Elections. Taking place on:

**Monday, 18 August**  
**6:00pm to 7:30pm**  
**Online via Zoom**

This session is designed to support individuals considering nomination and will provide a clear overview of:

- the election process
- the responsibilities of Council Members and Local Governments
- the regulatory role of LGIRS in Western Australia

The following presenters will cover a range of topics, with the aim of preparing candidates for the electoral process, and if elected, life as an Elected Member, hearing from:

- Hon. Hannah Beazley MLA - Minister for Local Government; Disability Services; Volunteering; Youth; Gascoyne
- Karen Chappel AM JP - President, WALGA
- Dennis O'Reilly - Acting WA Electoral Commissioner, together with Phillip Richards - Manager Election Events
- Erin Gauntlett - LGIRS Deputy Director General
- Tony Brown - Executive Director Member Services, WALGA.

Participants will have the opportunity to ask questions during the session or via email afterwards.

If community members are interested in nominating for the upcoming elections, please register for the webinar here:

[https://zoom.us/webinar/register/WN\\_B743aLcoQi-Roh2sJj6BJQ#/registration](https://zoom.us/webinar/register/WN_B743aLcoQi-Roh2sJj6BJQ#/registration)

Note: this session will be recorded and will be available online after the event.

**Office Opening Hours:**  
**Monday—Thursday,**  
8.30am—4.30pm  
**Friday,**  
8.30am—4.00pm

# GOLF NOTES – JULY 2025

Welcome back sports fans, for another installation of Golf Notes!

We kicked off the month of July with our 3<sup>rd</sup> Qualifying Round on the 7<sup>th</sup> sponsored by Ike's Glass. 22 Players made their way around the course on a perfect day for golf. In the ladies Deb Clark was the winner with 34 Points on a countback from Jen McCaffery. In the Men's it was a Ballantyne bonanza, with Travis Ballantyne coming in one over on the back nine to win the day with an 80 Gross 69 Nett. Runner-up was his brother Dale, on a count back. 3<sup>rd</sup> on a 72 Nett was down the middle Mike Clark. Big thanks to Stu and the team at Ike's Glass for their continued support of our club.

**Ike's Glass**  
**9881 1099**  
Ikes@westnet.com.au

The weekend of Saturday the 12<sup>th</sup> saw a contingent of 12 golfers make their way to Pingelly for the Great Southern Championships. 4 Players in the Stroke & 8 in the Stableford. The rain came, went and came again. After a downpour at lunch the day stayed mostly dry. Our best placed stroke players were Rob & Janus, both with 128 off the stick. Janus best Nett with 108. The Championship was won by Brett Coxon from Narrogin following a 6 Hole play-off with Ken Adams from Wagin. In the Stableford Shield Cooper George won the 2<sup>nd</sup> Edition with 56 Points. Simon Howe 3<sup>rd</sup> with 50 Points. Thanks to Summit Fertilisers & SportsPower Narrogin for their continued support of our Association.

On the same weekend, up at Moora Lake View Golf Club the Golf WA Provincial Tournament was held. Inaugurated in 1984, the Provincial Tournament is open to all women golfers with a handicap of 21.9 or lower. We are proud to report that new member to the club this year, Jen McCaffery had a taste of success, winning the Adele Ludemann Trophy, for the best Gross Score over 36 Holes from a Sand Greens Club members. After a tough day on Saturday with 91, Jen bounced back with a 78 on the Sunday to claim the trophy with 169 Total. Congratulations Jen, we couldn't be prouder!

Friday 18<sup>th</sup> was Narrogin's 4BBB, good numbers on the track with the best of the pickings Jason & Declin Mumby Runners Up on a Countback with 44 Points. Saturday & Sunday was Narrogin's Cup with Janus de Buryn 3<sup>rd</sup> Nett over 36 Holes with 148. Nothing to mention results wise but we had a contingent make their way out to Kweda on Saturday for their Open Day also.

Unfortunately this year Wickopin cancelled their open day, a shame but we hope to see them back on deck next year. We had a small group make their way to Darkan instead but nothing to mention results wise.

The next month sees us still on the road with Williams Open Weekend this weekend, followed by Wandering, Cuballing and finally Boddington to round out the "pro-tour". This means the club has been mostly closed as we continue our mantra of supporting clubs around the district. However, golf is always on at Cuby if you aren't wanting to go too far, just contact Lindsay to arrange keys and help run the day. 0437 797 557.

As stated above our Open Weekend is fast approaching, with the dates to mark in your calendar being Saturday 16<sup>th</sup> & Sunday 17<sup>th</sup> August. Thank you to all of our sponsors for making this event possible again, see the flyer on the next page for all the details.

# Landcare matters

Hotham-Williams sub-catchment update

Edition 100  
August 2025

NRM is the management of natural resources such as land, water, soils, plants and animals. It brings together land use planning, water management, biodiversity conservation and sustainability of industries such as agriculture, mining, tourism, fisheries and forestry.

## Holistic Management Training Program - Enquire Now!

Join the Institute of Regenerative Leadership in a 6-month program to help you make informed environmental, social, and financial decisions. This course provides knowledge, practical skills, and a strong support network to help you succeed.

You will:

- Learn to manage effectively for positive outcomes.
- Connect with like-minded land managers who understand your challenges.
- Make small but powerful changes that drive big improvements.
- Extend your growing season for greater profitability and resilience.

What's included:

Two in-person 2-day workshops (planned for September 2025 & March 2026 - dates TBC) at key points in the growing cycling, including one field walk on-farm.

Support between sessions (via video calls, WhatsApp) to help implement what you learn. This blended format ensures participants receive both structured learning and practical, real-world application with consistent support along the way.

Where: This will be within the Hotham-Williams Catchment, Exact location TBC (dependent on registrations).

Cost: \$395 exc GST.

This course is heavy subsidised

by PHCC and the Shire of Boddington, Wandering, Williams and Cuballing. It would usually cost thousands of dollars.

Please contact PHCC's Sustainable Agriculture Facilitator Georgina Warden via [georgina.warden@peel-harvey.org.au](mailto:georgina.warden@peel-harvey.org.au) or 6369 8800 for more information and how to register.

We require at least 10 participants eager to plan and develop an exciting future to proceed.

For more information on the Institute of Regenerative Leadership visit [www.regenerativelership.com.au/](http://www.regenerativelership.com.au/)

*This program is supported by the Australian Government through funding from the Natural Heritage Trust under the Climate-Smart Agriculture Program and the Shires of Boddington, Cuballing, Wandering*

## On the Ground – Future Ready Farming

Future Ready Farming Kicks Off with Four Demonstration Sites.

We've wrapped up the first season of our Future Ready Farming project, an initiative focused on supporting landholders to transition to climate smart agriculture.

This year, we established four demonstration sites in Marradong, Quindanning, Mundijong, and West Coolup, showcasing regenerative practices including cover cropping, multi-species and perennial pastures, biologically orientated fertility, and mob grazing.

Despite a late season break, the timing aligned well with contractor availability, and the final site was seeded on 29th May, just as rain began, ideal conditions for

germination. We worked closely with Agroecologist Mark Tupman (Productive Ecology) to develop two specially developed pasture mixes, prepare a compost slurry mix enriched with Mycorrhizal fungi, seaweed granules, and a trace element solution, tailored to the specific conditions at each site.

Soil sampling transects have been established, baseline soil tests have been completed, and we will return annually over the next three years to conduct indicator tests, plant tissue tests and track soil health improvements. We're now working closely with each landholder on follow-up treatments based on initial observations and test results.

All of this is being documented

by video which we will be sharing very soon! Keep an eye out on our socials and You-Tube channel.

We plan to support more landholders with this work over the next 3 years, stayed tuned for updates.

*Seeding har in action and a sunflower seedling*

*This project is supported by the Australian Government through funding from the Natural Heritage Trust under the Climate-Smart Agriculture Program.*

# Landcare matters

Hotham-Williams sub-catchment update

## Why did the fish climb the ladder?

These photos are of the fish ladder constructed in 2013 at the Boddington weir, when there were only very few examples of structures like this in south west WA. Fish ladders or 'fish ways' are designed and installed when there are physical barriers to migration in our rivers (such as weirs). For example, our little native fish the western minnow migrates upstream to spawn, and although it can jump small barriers, it is far too small to do that when it comes across large obstacles. Fish ladders provide the perfect gradient for these and other migratory fish species to continue upstream uninterrupted.

On the whole, our rivers are degraded due to various impacts and need our help, which can be in the form of

Taken when it was first installed, looking upstream

interventions such as these sorts of in-stream structures, bank stabilisation, and protecting and enhancing riverine vegetation. Sometimes this can also be in the form of high impact activities like sediment removal, which the Shire of Boddington is currently carrying out above the weir on the Hotham River. Semi-permanent and permanent pools are going to become more and more important refuge areas for aquatic species as our climate becomes hotter and drier, and a suite of interventions to enhance them is sometimes required, in addition to adding vegetation and shade. These always need to be carefully planned and approved by relevant authorities. More information about the Shire of Boddington 'Lions Weir Project' can be found on their website [www.boddington.wa.gov.au](http://www.boddington.wa.gov.au)

PHCC is still working hard on the Hotham-Williams River Action Plan which involves a staged process of positive interventions at strategic sites on the rivers. Check out previous Landcare Matters since October 2021 for project activity highlights here: [www.peel-harvey.org.au/newsletters/](http://www.peel-harvey.org.au/newsletters/)

## What's happening...

## Signs of Breeding White-tailed Black Cockatoos – We need your help!

Finding suitable breeding hollows is huge investment for Black Cockatoos, spending up to 8 months searching. As we emerge from winter they become most active in their search for hollows. While Carnaby Black Cockatoos tend to prefer the Swan Coastal Plain for breeding, we know they are breeding in areas around Dryandra, Boddington, Crossman and Wandering. For both White-tailed Black Cockatoos (Baudin's and Carnaby's) in the

broader Hotham-Williams area, we have much to learn about their abundance, distribution and breeding locations. Please keep your eyes peeled for breeding behaviour and never underestimate the value of old, dead stag trees for black cockatoo breeding. At this time of year, if you see a pair of White-tailed Black Cockatoos hanging around a large tree hollow on your property or nearby Reserve, and persistently coming back to the hollow with nesting

material, please let our team know at [admin@peel-harvey.org.au](mailto:admin@peel-harvey.org.au). This information helps us to work with local landholders to protect critical breeding habitat in the Hotham-Williams area.

[victoria.brockhurst@peel-harvey.org.au](mailto:victoria.brockhurst@peel-harvey.org.au)

[www.peel-harvey.org.au](http://www.peel-harvey.org.au)

These projects are supported by PHCC through funding from Newmont Boddington, and the Shires of Boddington, Cuballing, Wandering and Williams.

# WANDOO COMMUNITY SHED

## Busy Bee makes headway for the Wandoo Community Shed

Thanks to some active members, the WCS has progressed well this month. The interim shed has had its cladding re fixed and some missing flashing replaced. The Shed has been emptied of old equipment and cleaned. An initial layout of benched suggests that we will have sufficient space. We are waiting on a replacement rear door, lighting upgrade and power point installation which will hopefully be completed next month.
