## PRESIDENTS PEN

This will be my last president's pen. With the elections coming up, I will be handing this pen onto somebody new. I have really enjoyed my time representing my community on Council, as a new councillor post the amalgamation poll, as deputy president for six years and my four years at the head of the table. I have been so fortunate in my fellow councillors – every one has been there for the right reasons, because they feel strongly about the future of their community and they are ready to put in a lot of time and effort to make sure that future is a positive one. I have enjoyed spending time with our fabulous Shire staff and am proud of what we have achieved over the last 12 years.

Some of the highlights for me have been replacing our tips with transfer stations and providing curb-side pick up of rubbish in our townsites, introducing new cat laws (one of the first in Australia to do so) to protect the endangered species in Dryandra Forest, the building of our aged care units in Austral Street, the completion of the Cuballing East Road as part of the Wheatbelt Secondary Freight Network, taking part in the Community Builders Project with other wheatbelt shires, our Cuballing Winter Balls and the inaugural Cuby GrooveFest last year. We have completed some major works in developing the Community Hub at Popanyinning, the War Memorial upgrade at Cuballing and making our beautiful heritage buildings fit for community purpose again.

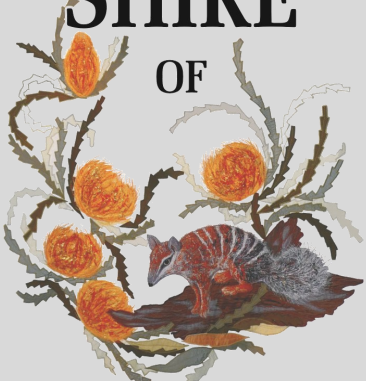

I encourage you all to have your say on the 18<sup>th</sup> October and vote. It might be the last time you can choose to do so!

With many thanks and heartfelt best wishes

Eliza Dowling

# Volunteer Bush Fire Brigade

## **VOLUNTEERS NEEDED**

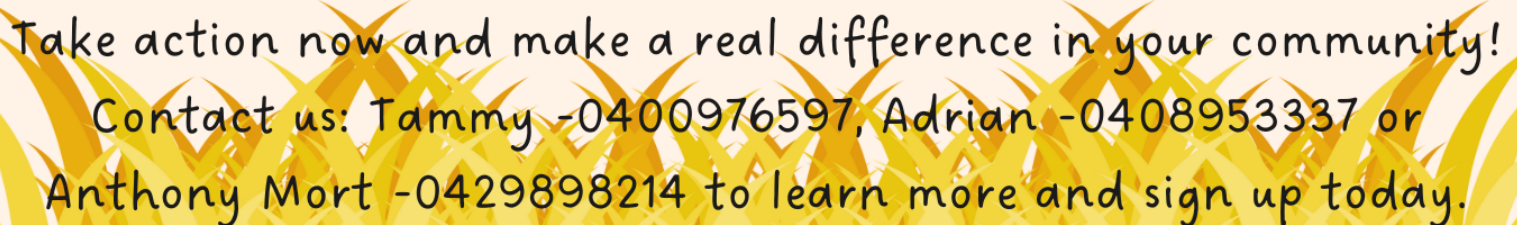

SUMMER IS COMING – YOUR LOCAL FIRE BRIGADES WANT YOU.

By becoming a volunteer, you will make a significant impact on your community, providing invaluable support to those in need. You will join a team of motivated people willing to help others in times of need. The more people we have, the less pressure on everyone, and the safer we will all be.

## Williams River Gathering

Despite the wet and windy weather, the Williams River gathering went ahead and those who braved the elements were treated to a great morning by the river! Everyone made the most of the Boddington Lions mini-train rides to nearby restoration sites, planted seedlings, and got hands-on with nature-based activities like building bee hotels and creating Hapa Zome (leaf-dye) flags.

The Welcome to Country and Smoking Ceremony, led by local Wilman Elder Nick Abraham is always a highlight, setting the tone for a morning of connection to Country, community, and culture. With the Lions Club sausage sizzle and The Queen of Beanz coffee van keeping everyone fueled and warm, spirits stayed high throughout the morning.

Big thanks to our amazing volunteers and to everyone who came out – your support was really appreciated!

## CUBALLING COUNCIL ELECTION - CANDIDATE PROFILE

### Adrian Kowald

Contact Info: 0408 953337

Email: [adrianpoppo@outlook.com.au](mailto:adrianpoppo@outlook.com.au)

I have had the honour of serving the communities of Cuballing and Popanyinning on Council for the past four years. This responsibility and the trust placed in me by the community are things I value deeply, and I have always approached my role with seriousness and dedication.

As a Popanyinning resident, I have advocated for our local community, while continually working to ensure the entire Shire of Cuballing is effectively managed and remains financially secure.

With 45 years of experience spanning government enterprises, private businesses, and community service, I bring a comprehensive perspective and diverse skillset to local government. Prudent management of our limited resources is essential to fostering community resilience and improving critical infrastructure.

Throughout my career, I have held project management positions on significant government infrastructure works and civil construction projects, successfully leading teams of skilled professionals to achieve targeted objectives.

If re-elected, I will continue to work with fellow Councillors to create a stable, long-term future for the Cuballing and Popanyinning communities.

My approach centers on:

- Listening to all community members and responding to their needs whenever possible,
- Maintaining responsible financial management of our resources,
- Carefully overseeing the community's existing assets,
- Protecting agricultural resources while also considering future development opportunities,
- Encouraging growth in housing and employment within the Shire,
- Developing compatible tourism opportunities to stimulate our local economy.

My ongoing involvement with groups such as the Popanyinning Progress Association, the Volunteer Bush Fire Brigade, and the Cuby GrooveFest committee has enabled me to effectively connect the Council with the broader community. Through organising local events and fostering open communication, I have helped strengthen the relationship between Council and residents, ensuring community voices are heard and valued.

The Council faces a range of challenges in the coming four years, and I am eager to bring thoughtful, well-informed, and inclusive decision-making to the table.
