PRESIDENTS PEN

I am deeply honoured to accept my appointment as Shire President. This significant responsibility is one I accept with humility, gratitude, and a steadfast commitment to serving our community.

I would like to extend my heartfelt thanks to Eliza Dowling, who has been an extraordinary leader and dedicated Councilor. Eliza's strong commitment over her 12 years on Council, including 4 years as President, has helped shape our Shire for the better. Her tireless efforts, and genuine care for our community have set a high standard for me to follow. On behalf of all Councilors and residents, I thank Eliza for her leadership and the lasting legacy she leaves behind. Similarly we must thank Dawson Bradford for his thoughtful contributions and time on Council over the past years. But at the same time, it is a pleasure to welcome new faces to the Council. The youth of Matthew Dent and experience of Sarah Hawksley will bring a fresh and new perspective to the table.

It is a privilege to accept the trust and responsibility that my fellow Councilors have placed in me. I am committed to carrying out the duties of Shire President with integrity, transparency, and a focus on collaboration. Together, we will continue to build on the foundations laid by previous Councils and work towards a vibrant, inclusive, and prosperous future for everyone in our Shire.

I look forward to working with our Council, community groups, local businesses, and all residents to ensure our Shire remains a wonderful place to live, work, and grow.

Thank you for your support as we embark on this new chapter. Please feel free to reach out with your ideas, concerns, and hopes for our community—I am here to listen and serve.

Adrian Kowald

COUNCIL SHORTS

Prior to the commencement of the meeting, Adrian Kowald and Matthew Dent were sworn in as Councillors by the CEO Mr Chris Paget and made their declarations of office.

Election of Shire President

Councillor Adrian Kowald was elected unopposed by the Members as the new President of the Shire of Cuballing.

Election of Deputy Shire President

Councillor Robert Harris was returned unopposed as the Deputy Shire President.

Development Approval – Hillcroft Farms piggery expansion

Council granted development approval for the expansion of the Hillcroft Farms piggery (animal husbandry – intensive) at Lot 4301 and Lot 13054 Yornaning Road, Lol Gray with the following conditions being imposed:

1. The development hereby approved must be carried out in accordance with the plans and specifications submitted with the application (addressing all conditions) or otherwise amended by the local government and shown on the approved plans and these shall not be altered and/or modified without the prior knowledge and written consent of the local government.
2. The applicant shall prepare and submit a Drainage Management Plan to the specification and satisfaction of the local government, prior to the local government registering the piggery under the *Shire of Cuballing Health Local Laws 2007*, which sets out:
 - Attenuation measures such as earth bunds and interceptor drains to limit off-site impacts;
 - That wastewater run-off and by-products from piggery operations including machinery, plant and equipment wash-down will drain into a suitable treatment system/s;
 - How the design addresses relevant *Water Quality Protection Note 26* and *Note 39* prepared by the Department of Water; and
 - How wastewater will not contaminate groundwater or surface waters.
3. The approved Drainage Management Plan is to be suitably implemented to the satisfaction of the local government prior to the local government registering the piggery under the *Shire of Cuballing Health Local Laws 2007*.
4. The applicant to implement dust control measures for the piggery to the satisfaction of local government on an on-going basis.

Appointments to Committees and of Delegates to External Groups

Following completion of the 2025 Local Government Election, Council appointed the following Members as official delegates to the various Shire committees and external groups we are a part of:

<u>Committee / Group</u>	<u>Delegate</u>	<u>Deputy Delegate / Proxy</u>
Audit Committee	Entire Council	
Cemeteries Advisory Committee	Cr Sexton	Cr Dent

Landcare matters

Hotham-Williams sub-catchment update

PHCC
Working Together

Edition 103
November 2025

NRM is the management of natural resources such as land, water, soils, plants and animals. It brings together land use planning, water management, biodiversity conservation and sustainability of industries such as agriculture, mining, tourism, fisheries and forestry.

Hollow logs for chuditch not foxes!

Hollow logs and fallen tree limbs provide important refuges for threatened species and are a great place to set up fauna monitoring cameras, unfortunately foxes and cats also frequent these to search for prey.

A large hollow log was installed by a landholder in an important linkage to Dryandra Woodland National Park and a monitoring camera was installed to find out what fauna were utilising the log. It was exciting to see that a chuditch *Dasyurus geoffroi* was captured on camera! Chuditch are a threatened species with a conservation status of Vulnerable and are one of the secondary investment priorities for the Numbat Neighbourhood Project. There are a number of factors that have contributed to the chuditch decline including land clearing, removal of suitable den sites and logs and also predation by feral cats and foxes.

The hollow log was also visited numerous times by foxes. One fox could be seen going into the log and also urinating on the log to mark its territory. Foxes in Australia kill about 300 million native animals each year including 107 million mammals. Foxes are also estimated to cost the Australian agriculture industry \$200 million each year. The fox sighting has been passed on to our pest animal control contractor who conducts 30 hours of fox and feral cat control on farmland surrounding Dryandra Woodland National Park each month. Hopefully next time the camera is checked we'll have more chuditch and less foxes!

If you need help controlling foxes and feral cats on your property or would like advice on hollows please contact PHCC's Farmers for Fauna Coordinator via email christine.townsend@peel-harvey.org.au

For more information on foxes and their control visit <https://invasives.org.au/meet-the-invaders/foxes/>

A chuditch captured on monitoring camera

Checking in at Koompkinning - Pumphreys Bridge

It's time to circle back to Koompkinning (Pumphreys Bridge), where we have continued to nurture the focal areas on the banks next to the campground, and downstream where the Hotham River winds through the Pumphreys Historic Homestead property.

After planting advanced trees along the river at the campground in June 2024, there have been a few losses via drowning during the first winter, and a tree-rustling (yes, a tree was stolen). But they are still hanging on, and using hardy local species like *Casuarina obesa* - sheoak, *Eucalyptus rudis* - flooded gum, and *Melaleuca raphiophylla* - paperbark - has helped. The smaller sedges and rushes that have also been planted in 2024 and 2025 are noticeably taller, which makes the ongoing weed control much easier than when individual seedlings need to be marked out so as not to accidentally spray them. We've also noticed some natural regeneration of samphires and saltbush, which is very encouraging because it tells us that there is viable seed in the soil, and regular weed control efforts will continue to nurture natural regeneration in the long term.

Weeds and long hot summers are always a challenge, and it certainly helps that people do the right thing when visiting Pumphreys Bridge – taking care when walking in the revegetation area next to the river, and even pulling out the odd weed or two.

PHCC continues to work with the Wilman (Dryandra) People Corporation, who are Elders and Knowledge-Holders for the Aboriginal Cultural Heritage site at Koompkinning. Over the coming months, we will be planning signs, and working with the Shire of Wandering on the installation of some new picnic infrastructure.

If you see us working on the river, come and say hi - we'd be happy to show you the little things at the site that are hard to see at the moment, but we hope will grow and thrive – like the little self-germinating samphire in the photo

This project is in partnership with the Wilman (Dryandra) People Corporation.

A letter of thanks

Thank you so much to my fellow councillors and Council staff for the support and camaraderie you have given me over the last 12 years and to the ratepayers who gave me their vote at the last election.

Whilst my resignation was no surprise to Council, the nominees and the shire staff, most people were not aware that I was going to resign once the election had been completed. It was a difficult decision to make but once we had more nominees than we had vacancies, and excellent nominees at that, for personal reasons it made sense for me to step back and let someone else have a go. Unfortunately, the last nomination came in two minutes before nominations closed so I was unable to withdraw mine in time and we had to go to an election.

I have loved my time on Council and am so proud of our little shire, that stands its own despite the increasing burden of red tape and compliance, that shows good governance and that listens to its ratepayers. Everyone on council and on staff goes above and beyond and I have no doubt this will continue to be the case.

Kind regards

Eliza Dowling

GOLF NOTES – SEPTEMBER & OCTOBER 2025

Welcome back for the final instalment of GOLF NOTES for season 2025 at the Cuballing Golf Club.

Our first fixture in September was our Mixed Foursomes Championships. We had 7 pairs playing along with 6 blokes play a Stableford. Mixed conditions with the weather being a little windy and wet towards the end. Well done to everyone who took on the day. Winners of the Mixed Championship were Jen McCaffery & Lindsay George with an 83. Winners of the Nett on a countback were Sally Dunn & Cooper George with 76.5. Great to have Kymberlee O'Brien across from Boddington who paired up with Scott Ballantyne for the day, with a good score of 85 Gross 72 Nett. In the Stableford comp, Steve Conway came away victor with 39 Points... should play in the rain more often Steve. Runner Up was Peter George with 37 Points

Saturday the 20th saw the pinnacle of the Cuballing Golf Calendar, Club Championships. And what an amazing day it was! The morning kicked off with a foggy atmosphere, but we set out on the course focused on match play. As the fog cleared, the weather transformed into a fantastic day for golf. With the sun shining, the energy during our Grand Final day at the Cuballing Golf Club was absolutely electric! With 37 people competing in their Grades for the ultimate glory the morning brought to the end half the field of their golf day. The afternoon heated up like the sun and with it some really good golf being played around the course. It was great to have most stick around and support the afternoon play with a refreshment and cheering for good shots and the not so good shots. In the end there could only be 10 people be crowned champions.

A Grade Ladies – Jen McCaffery	R/Up – Sally Dunn
B Grade Ladies – Claudia Hayes	R/Up – Angie Dent
A Grade Men – Scott Ballantyne	R/Up – Lindsay George
B Grade Men – Anthony Mort	R/Up – Chris Bolton
C Grade Men – Kade Maley	R/Up – Cooper George
D Grade Men – Todd Hayes	R/Up – Mike Clark
E Grade Men – Declin Mumby	R/Up – Damon Watt
F Grade Men – Dan Hawes	R/Up – Graeme Dent
G Grade Men – Logan Hayes	R/Up – Ryland Paice
H Grade Men – Sheldon Paice	R/Up – Sean Conlan

Congratulations to all the winners. There were many highlights on the day, a couple of extra holes to determine winners in the B Grade Men's & G Grade. Nearly hole in ones. Eagles on a couple of holes whether they were solid golf shots or just along the ground the whole way from 140 meters out doesn't matter. It was a great day for the club on Saturday. So, thank you to everyone that played and stayed out and made the day a great one for the Cuballing Golf Club.

Saturday 4th of October saw us head into Narrogin for the 2nd running of the Barris Harris Challenge. The best 6 score on the day from each club are what count, unfortunately it just wasn't our day, with the final score seeing Narrogin take the win 224 Points to our 204. The scoreline now stands at 1 All, so we'll be having a red hot crack at trying to reclaim the trophy when the event returns to Cuby next year.

On Saturday 11th of October, we held our official closing day and AGM for the 2025 Season. We had a field of 30 people on the course for 13 holes of 3 Person Ambrose from the red tees. Winners of the 3 person Ambrose were Jenny & Wayne McLiesh & Ryan Harris with Runners Up Terry & Debbie Clark & Pete George. Gross winners Steve Conway, Mike Clark & Nigel Parks. Best at the other end was the Howes with young Edward Keeling.

Club Awards for Season 2025:

Men's Best Gross Qualifier - **Cuballing Building Company** - Scott Ballantyne 155
Men's Best Nett Qualifier – **Presidents Trophy** – Cooper George 136
Men's A Grade Eclectic – **Captains Trophy** – Scott Ballantyne 62.5
Men's B Grade Eclectic – **Captains Trophy** – Dan Hawes 71.5
Women's Best Gross Qualifier – **Cuballing Building Company** – Jen McCaffery 164
Women's Best Nett Qualifier – **Sponsored by Debbie Clark** – Sally Dunn 76 Points
Women's Eclectic – **Cuballing Golf Club** – Debbie Clark 66.5
Most Improved – **Bill & Bens Hot Bread Shop** – Michael Moore 11.9

Finally, we held our AGM which saw a new Committee Elected. Firstly, thank you to Rob Harris who has stepped down as Treasurer having held the role for 5 years. Also, to Bevan George who has been a committee member for several years. Our incoming committee is as follows:

President: Anthony Howe

Secretary: Cooper George

Treasurer: Nigel Parks

Captain: Lindsay George

Committee: Jen McCaffery, Mike Clark, Peter George

Sally Dunn, Simon Howe, Sheldon Paice

That wraps up another fantastic season at the Cuballing Golf Club. The course remains open over the summer months for all to enjoy. We will be back next year for more golfing antics and more GOLF NOTES!

Volunteer Bush Fire Brigade

VOLUNTEERS NEEDED

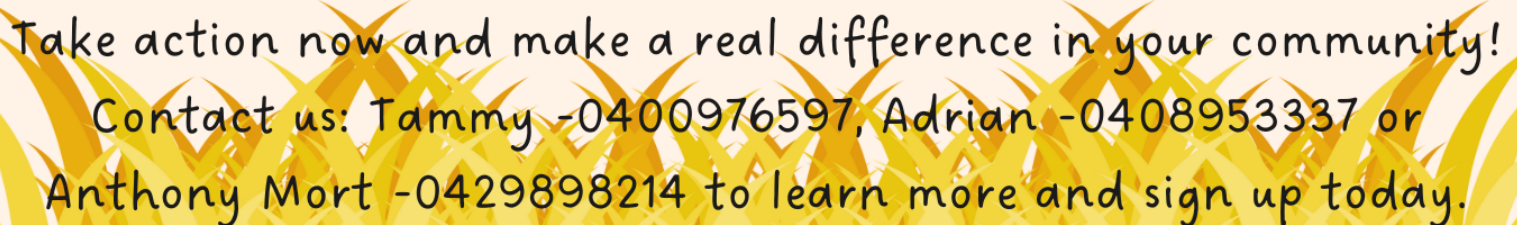

SUMMER IS COMING – YOUR LOCAL FIRE BRIGADES WANT YOU.

The Cuballing and Popanyinning Bush Fire Brigades urgently need new volunteers to strengthen our teams for the upcoming summer period. Recent retirements and transfers have left us in critical need of more personnel to ensure we always have dedicated individuals ready to respond when required.

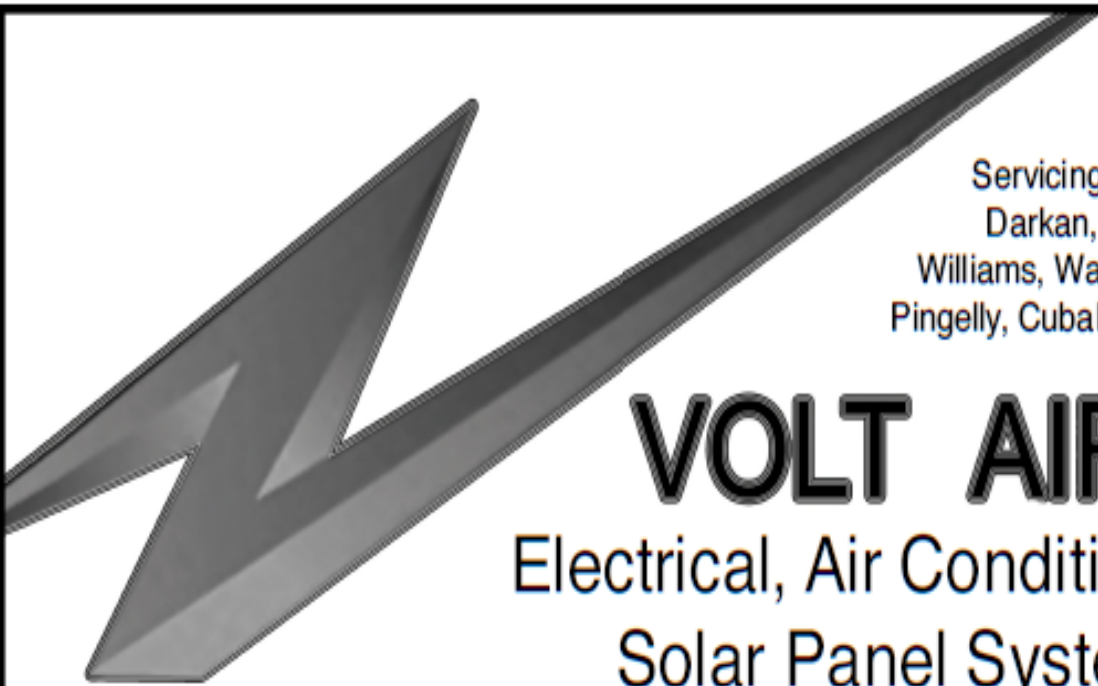

Joining our brigades means you'll receive comprehensive training and ongoing coaching from experienced members. We provide all necessary uniforms, boots, and safety equipment, and only basic fitness is required.

By becoming a volunteer, you will make a significant impact on your community, providing invaluable support to those in need. You will join a team of motivated people willing to help others in times of need. The more people we have, the less pressure on everyone, and the safer we will all be.

Take action now and make a real difference in your community!
Contact us: Tammy -0400976597, Adrian -0408953337 or
