**So welcome
the new years in
with your friends
at the cuby**

PRESIDENTS PEN

Well where did that year go? 2026 is almost upon us. Of course, with the New Year and festivities come the hot weather and fire risks. Already our local volunteer fire brigade has been called out to some small fires, which were fortunately controlled quickly. As the weather gets hotter, we may not be so fortunate. We are all accustomed to fire risks in Cuballing, but with the prolonged winter weather, we now must be extra vigilant. Remember, **000** is the first number you call if you see a fire, smoke or need help.

Many of you would know the words to Queens' song Bohemian Rhapsody - *"thunder bolt and lightning, very very frightening"* ; well this was true for our Shire office workers when lightning struck and split a power pole in Campbell St recently. The loud noise, static fizzing and green flashes from power sockets was something they will never forget. A large portion of town lost power for some time, but Western Power must be praised for effective response and replacing the pole within 24 hrs. The Shires emergency generator was quickly connected to our admin building so the disruption was minimised.

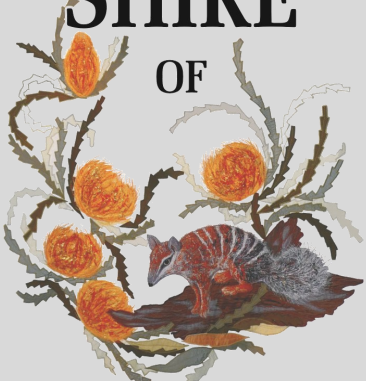

The harvest season is now in full swing so when using our roads please watch out for large farm machinery and equipment being moved about on local roads. There will also be more heavily laden trucks about carting grain and hay about the place so please take care.

The Popo Christmas Markets were again a bustling success last weekend with a variety of stall and many locals out looking for that early bargain. These events don't happen by chance – there are many volunteer community groups that work to create these activities. These groups are always needing more help and will welcome you with open arms! Our community is nothing without our volunteers. Nominations are currently open to recognise these volunteers on Australia Day in January. If you know someone or a group that has done a particularly great job in the past year, we would like to acknowledge that. Contact the Shire office now, nominations close on 17th December.

Finally, on behalf of the Council, I wish you all a Merry Christmas and a Happy New Year. Be safe.

COUNCIL SHORTS

Prior to the commencement of the meeting, Sarah Hawksley was sworn in as a Councillor by the CEO Mr Chris Paget and made her declaration of office.

Proposed Amendment #7 to the Shire of Cuballing Local Planning Scheme No.2

Council considered the proposed Amendment 7 to modify the Shire's Local Planning Scheme No.2 in order to implement the State Government's planning reforms for Short Term Rental Accommodation. The Amendment is required to ensure alignment with the new 'deemed' and 'model' land use classes introduced into the State Planning Framework through the Planning and Development (Local Planning Schemes) Amendment (Short-Term Rental Accommodation) Regulations 2024. The resolution by Council was as follows:

- Agrees to adopt an amendment to the Shire of Cuballing Local Planning Scheme No. 2, pursuant to section 75 of the Planning and Development Act 2005 (as per agenda attachments) to implement the State Government's planning reforms for short-term rental accommodation.
- Determines that Amendment No. 7 is a standard amendment In accordance with Regulation 35 of the Planning and Development (Local Planning Schemes) Regulations 2015 for the following reasons:
 - ⇒ The amendment would have minimal impact on land in the scheme area that is not the subject of the amendment;
 - ⇒ The amendment does not result in any significant environmental, social, economic or governance impacts on land in the scheme area; and
 - The amendment is not a complex or basic amendment.
 - ⇒ Note there is no requirement to refer Scheme Amendment No. 7 to the Environmental Protection Authority based on the Environmental Protection Amendment Regulations 2024.
 - ⇒ Submits Scheme Amendment No. 7 to the Western Australian Planning Commission for approval to advertise in accordance with Section 83A of the *Planning and Development Act 2005*.
 - ⇒ Advertises Scheme Amendment No. 7 in accordance with the Planning and Development (Local Planning Schemes) Regulations 2015, Section 47(2) for a period of 42 days.
 - ⇒ Authorises the Chief Executive Officer to progress and address matters with the Department of Planning, Lands and Heritage and the Western Australian Planning Commission.

Appointment of Community Emergency Services Manager as Fire Control Officer

Council endorsed the appointment of Mr Paul Gibson, our new Community Emergency Services Manager, as a Fire Control Officer for the Shire of Cuballing in accordance with section 38 of the *Bush Fires Act 1954* and in line with clause 5.2 of the joint MOU for the Provision of Local Government Employed CESM (2025).

Dryandra Regional Equestrian Centre – Agreement for Use as Emergency Animal Welfare Shelter

Council formally endorsed and adopted the Agreement for the Provision of Emergency Evacuation Yards at the Dryandra Regional Equestrian Centre as a Temporary Relocation Area for Animals. This document outlines the operational, legal and practical framework under which the Centre may be utilised as a temporary animal welfare and relocation facility during emergency events.

POPANYINNING COMMUNITY HUB

Popo Community Hub is Growing

The refurbished Old Popanyinning School in Forrest St, now re-purposed as a Community Hub is steadily growing in popularity. Recently about a locals gathered for a morning coffee, cake and champagne to celebrate three birthdays. Old friends, new friends and recent arrivals to Popo, all enjoyed opportunity to share the morning with Dave & Janine, (ages not disclosed): and Yvonne who has reached seventy.

Currently, the Hub opens every Tuesday morning for coffee, tea and cakes for everyone and is managed by the Popanyinning Progress Association. After Xmas it is proposed to open on weekends as well for those who cannot attend on a Tuesday.

The Hub offers, internet access and printer, a small free library, children's play corner, a massage chair, and a small developing community garden.

For access or more information contact Michelle Atwell (0427 619591) or Adrian Kowald (0408 953337)

Landcare matters

Hotham-Williams sub-catchment update

PHCC
Working Together

Edition 104
December 2025

NRM is the management of natural resources such as land, water, soils, plants and animals. It brings together land use planning, water management, biodiversity conservation and sustainability of industries such as agriculture, mining, tourism, fisheries and forestry.

Update on Resilient Farms, Nature & Communities Project

Our Resilient Farms, Nature & Communities project is delivering on ground action across our Upper Catchment across weed control, invasive animals, fencing and revegetation.

2025 saw us begin working on a significant *Juncus acutus* (Spiny Rush) infestation on the edge of Wandering, completing an initial treatment of a 4 hectare section of the creek that feeds into the Crossman River.

We have plans to continue work on this creek section over the next few years which we hope will provide an opportunity for the community to see that you can have an impact on this problem if you have a good methodology and on-going activity. Keep an eye out on the eastern side of Wandering for the on-going work at this site. We have also supported a group

within the Shire of Williams with a feral pig control program that has seen feral pigs managed across hundreds of hectares. 2025 saw 198 pigs removed from the area.

This project has also enabled 1.5km of fencing to be erected around a stunning remnant bushland patch in Bannister which were also able to further improve with infill revegetation through our Future Ready Farming Project this year.

The Wessels Family with their project sign

Juncus acutus before weed control Apr 2025

Juncus acutus after weed control Oct 2025

These projects are supported by the Australian Government through funding from the Natural Heritage Trust under the Climate-Smart Agriculture Program and funding from the Western Australian Governments State NRM Program

Numbat Dig Survey

The annual Numbat Dig Survey in Dryandra Woodland National Park was held recently and Victoria and Christine from PHCC were there to lend a hand. This annual survey is organised by Dr Tony Friend (Research Associate DBCA) and Tamara Wilkes-Jones and provides great insight into the Numbat Population in Dryandra Woodland.

7 volunteers surveyed 113 sites in the 1000 hectare Dryandra Woylee Numbat Sanctuary. Numbats feed solely on termites which means that their digs and scats are quite unique and finding these foraging signs is a great way to monitor numbat presence and absence. While conducting the survey we even managed to see a numbat, carpet python, western bearded dragon and 3 echidnas.

The Numbat Neighbourhood Project is funded by the Australian Government Natural Heritage Trust and delivered by PHCC, a member of the Commonwealth Regional Delivery Partners panel

Our Staff & Board wish you a safe and happy Christmas & New Year

Our office will be closed from

WANDOO COMMUNITY SHED

Thanks to the Shire for getting the electrical upgrade for the temporary shed completed. It now sports 2 double fluorescent lights and 2 double GPOs above bench level. A rear door and locking bolt has been obtained and fitted so the shed is now secure and ready for projects, the first of which is in the below photo.

Scott & Tania have been busy adding backing boards for insulation & for tools. Rhys, Barry & Trish will be cleaning the walls & sweeping the floors. Plus, members have been busy making items to sell at the Popo Markets to raise money for the WCS.

Purchase of the permanent shed is progressing and should see delivery of the flat pack first quarter 2026.

Tania Atkinson - President WCS.

Volunteer Bush Fire Brigade

VOLUNTEERS NEEDED

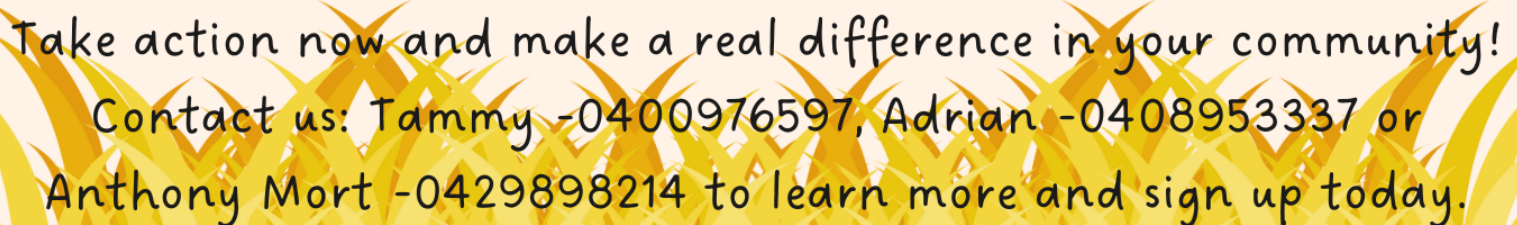

SUMMER IS COMING – YOUR LOCAL FIRE BRIGADES WANT YOU.

The Cuballing and Popanyinning Bush Fire Brigades urgently need new volunteers to strengthen our teams for the upcoming summer period. Recent retirements and transfers have left us in critical need of more personnel to ensure we always have dedicated individuals ready to respond when required.

Joining our brigades means you'll receive comprehensive training and ongoing coaching from experienced members. We provide all necessary uniforms, boots, and safety equipment, and only basic fitness is required.

By becoming a volunteer, you will make a significant impact on your community, providing invaluable support to those in need. You will join a team of motivated people willing to help others in times of need. The more people we have, the less pressure on everyone, and the safer we will all be.

Take action now and make a real difference in your community!
Contact us: Tammy -0400976597, Adrian -0408953337 or
Anthony Mort -0429898214 to learn more and sign up today.
