MA BAKER ROCKS THE BONFIRE

The Popo Bonfire provided a spectacular centerpiece as the evening got underway, lighting up the night sky and creating a warm and welcoming atmosphere. Saturday saw hundreds flock to the Popanyinning Oval for the annual Popo Bonfire, the weather was perfect the food was on point, the kids enjoyed the excitement of the evening and the new playground, while adults had the chance to socialise, enjoy a beverage and dance.

Events such as the Popanyinning Bonfire are an important part of keeping our local community connected. They bring people

together from across the district and provide an opportunity to celebrate the community spirit that exists in our small country towns.

A big thank you goes to everyone who helped organise the event, volunteered their time, assisted with preparations and supported the evening. Community events like this don't happen without the dedication of local volunteers and organisations.

Most importantly, thank you to everyone who came along and helped make the **Popanyinning Bonfire 2026** such a memorable night.

PRESIDENTS PEN

Well, here we are into September, and thankfully some decent rain arrived in late August. Mother Nature is certainly testing our nerves this winter. There is concern amongst emergency services people that it will be a long dry spring and summer. So now is the time to look at your surroundings and clear away flammable debris.

Council Rates 26/27

The annual rates notices have now been posted out. All details regarding payment arrangements are set out there for you. The notice included the Emergency Services Levy (set by DFES) and the rubbish charges or waste levy. Information on how rates are calculated is set out on the Shire website.

Cuby GrooveFest 18-20 September

Ticket sales have now exceeded 800 at the end of August, so if you haven't decided yet, it's time to act. To help you, the full program is included in this edition of Cuby News listing all events, activities and artists involved. The festival website, www.cubagroovefest.com.au, has all the information needed to buy your tickets, purchase some merchandise, or register as a volunteer.

Positions Vacant.

The Shire has two positions it is looking to fill. These are ideal for someone looking to work locally. There is a vacancy for an Administration Officer (level 4) in the Shire Office; as well as an outdoor job for a Gardener/Handy Person. Details about these vacancies can be found on the Shire website or contact the Shire office.

Popanyinning Bonfire Night

The annual Popo Bonfire was held recently. Approximately 200 locals and visitors enjoyed a pleasant night listening to excellent local musicians and enjoying time together. Threatening rain did not eventuate as Ma Baker again did not disappoint the audience. Thankyou to the solid effort of the Popanyinning Progress Association for making the event happen.

Do you bleed purple?

Could this be the year?
